### **Ancient Egyptian Roots of Christianity, Expanded 2nd Edition**

Moustafa Gadalla,2016-12-02 Egyptian roots of Christianity both historically and spiritually This book reveals the Ancient Egyptian roots of Christianity both historically and spiritually This Expanded Version of the book consists of three parts to coincide with the terms of trinity The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent characters The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays The very thing that is now called the Christian religion was already in existence in Ancient Egypt long before the adoption of the New Testament The British Egyptologist Sir E A Wallis Budge wrote in his book The Gods of the Egyptians 1969 The new religion Christianity which was preached there by St Mark and his immediate followers in all essentials so closely resembled that which was the outcome of the worship of Osiris Isis and Horus The similarities noted by Budge and everyone who has compared the Egyptian Osiris Isis Horus allegory to the Gospel story are striking Both accounts are practically the same e g the supernatural conception the divine birth the struggles against the enemy in the wilderness and the resurrection from the dead to eternal life The main difference between the two versions is that the Gospel tale is considered historical and the Osiris Isis Horus cycle is an allegory The spiritual message of the Ancient Egyptian Osiris Isis Horus allegory and the Christian revelation is exactly the same The British scholar A N Wilson pointed out in his book Jesus The Jesus of History and the Christ of Faith are two separate beings with very different stories It is difficult enough to reconstruct the first and in the attempt we are likely to do irreparable harm to the second This book will demonstrate that the Jesus of History the Jesus of Faith and the tenets of Christianity are all Ancient Egyptian This will be done without causing any irreparable harm as per A N Wilson s concern for two main reasons Firstly the truth must be told Secondly explaining Christian tenets via their original Ancient Egyptian contexts will enhance the idealism of Christianity This Expanded Version of the book consists of three parts to coincide with the terms of trinity the Three that are Two that are One The first part demonstrates that the major biblical ancestors of the biblical Jesus are all Ancient Egyptian prominent individuals The second part demonstrates that the accounts of the historical Jesus are based entirely on the life and death of the Egyptian Pharaoh Twt Tut Ankh Amen The third part demonstrates that the Jesus of Faith and the Christian tenets are all Egyptian in origin such as the essence of the teachings message the creation of the universe and man according to the Book of Genesis as well as the religious holidays There is an undeniable

irony and a profound deep undeniable truth in Hosea's prophetic saying Out of Egypt have I called my Son A deep irony indeed Let us open our minds and review the available evidence For the truth is a composite of different and complementary pieces of a puzzle Let us put the pieces in the right location time and order     Sounding the Seasons enlarged edition Malcolm Guite,2024-08-30 Poetry has always been a central element of Christian spirituality and is used in worship in pastoral services and guided meditation In Sounding the Seasons Cambridge poet and priest Malcolm Guite transforms lectionary readings into lucid inspiring poems for use in regular worship seasonal services meditative reading or on retreat This second edition includes further sonnets for the Christian year written since the original edition including a sequence of 19 sonnets on the resurrection appearances recorded in scripture Immediate striking simple yet profound Malcolm Guite's poetry resonates deeply and widely across the churches of all traditions throughout the English speaking world     The Evolving Covenant Hillel Katzir,2013-07-12 The relationship of the Jewish people with God can be seen as like that of parent and child as much as the parent cares for the child the parent must prepare the child for adulthood by gradually stepping back and allowing the child to take ever greater responsibility This overview of Jewish history sees God as preparing the Jewish people in just this way for partnership with God in the ongoing project of bringing order to a chaotic world in order to complete an unfinished Creation and by setting an example to invite all of humanity into that partnership as well
