## Share Me A Shadow:

**Romantic Insanity** Patrick Basu, 2013 I was touched by T S Elliot in my school days and I was profoundly impressed by William Somerset Maugham the British writer with pungent social idiosyncrasies and a disenchanting life Later in college I was inspired by poet singer and musician Paul Simon This literary flare transcribed into a more tangible artistic landscape on films Truly I was mentored by Satyajit Ray David Lean and Francois Truffaut It seemed just a capricious dream that came alive in the mode of morbid anatomy of medicine I was fortunate to peel off the deeper fascia and palpate the sublime passion in the art of medicine with an uncompromising devotion to imbibe the true elixir that heals life and touches millions of souls The literary acumen came in handy to express and depict the mundane facts and dry statistics in scientific journals Embraced liver into life and persuaded a sanative intimacy to cure liver disease and transplantation My smoldering desire for poetry and cinema was rekindled and came alive in screenplays after a few decades of my life drowned in medicine I sculpted the lost dream into a few film screenwrites with a nascent flicker of poignant passion for poetry I dedicate the book as a prelude to my widowed mother who was the primordial driving force in my life in making me a physician and to my wife who has submitted an infinite tolerance to forgiving my daily insanities Patrick Basu MD *Perhaps Love* Patrick Basu, 2014-05 *Perhaps Love* is a compendium of romantic poems composed by the author over many decades intimately reflective of a serene storgic dying entity of true self sacrificing love It is written beautifully with a style so sublime such that the interpretation is left open to the reader depending on their individual context and frame of mind which could range from lovers to best of friends The style is rich and varies from sonnets to horatic and Pindaric odes dedicated to the lover and his beloved *Perhaps Love* is an enjoyable read for anyone at any level People with a passion for literary art can appreciate its full depth The author is truly an enigmatic individual to many of us who intimately know him He has a depth that is unfathomable to many and I consider myself truly privileged to know him as my father figure both personally and professionally

**Shadowforged** Moira Katson, 2013-04-11 With Catwin's help Miriel has captured the heart of the King but their victory has come at a cost the suspicion and enmity of the Duke and the unrelenting hatred of the Court As they recover from the attempt on their lives the two form a fragile alliance promising that their first loyalty is to each other and that their one goal is to survive But to survive Catwin and Miriel need power and the search for power of their own draws them ever further into the Court and inexorably closer to the throne Enemies surround them ruthless and vengeful and the only way forward is a dark path that threatens to sever them from themselves For it is not only enemies that are a danger Light and Shadow now but the weakness of their own hearts As she protects them both Catwin struggles against her love for Tamar the Duke's assassin to capture the King's heart Miriel must forget both her love for Wilhelm and her passion belief in the populist uprising A reckoning is coming a betrayal that has been in the making for decades and if they are to survive both Catwin and Miriel must be prepared to give up everything they hold dear **Shadow's Ember** Nathan Helmly, 2025-08-27 It's true You

were built from villains but Maker raised a solemn finger into the air That doesn't have to stop you from being heroes One day you will twist the Darkness own powers back on itself and conquer it once for all Tirak is a simple cybri Sure sure he can sculpt the currents of fire itself as long as someone stronger isn't already conducting them and like all cybrii he's supposed to save the world But ever since the day it was stolen from him all Tirak's wanted from life is to enjoy a quiet corner of his people's island surrounded by family But when his adopted sister gets beaten up and exiled from the city they grew up in Tirak finds himself dragged along on a quest to beg their Maker for redemption that might just decide the fate of their island They hold opposing powers of fire and ice but the two siblings will have to learn to work together and become something more if they want to succeed An ancient darkness is coming to strangle them all and only Tirak and Kaleek stand in its way The Island's fate is in their hands as they miscommunicate their way through a bungled Hero's Journey Kaleek keeps talking about going out in a blaze of glory but all Tirak knows is he will do everything he can to not lose his last remaining connection to family

As a young girl medieval saint healer visionary exorcist and composer Hildegard von Bingen was locked in a cloister's cell after demonstrating a preternatural sensitivity to the world around her. Sequestered with Hildegard is Jutta a woman who has spent her life secluded in an effort to recover a whole self after deepest trauma. Under Jutta's guidance Hildegard attempts to reassemble her own fragmented self while her mentor proselytizes a rejection of brokenness. *IN THE GREEN* is a musical unlike any you've seen an astonishingly sonically sophisticated saga of two exceptional women broken by the world and their journey of healing that changed history.

**Killer Stories** Brin Hodgskiss, Nicole Engelbrecht, 2024-07-25. If you made me angry to me for that anger to go away I have to get hold of you I have to do something to you I didn't feel myself I felt numb like a zombie like a switch had been flicked and a light had gone off. These are the words of some of South Africa's most terrifying serial killers who spoke to psychologist Brin Hodgskiss in the bowels of the country's most secure prisons. Hodgskiss interviewed several of the most notorious serial killers and his recordings sat gathering dust until recently when top true crime podcaster Nicole Engelbrecht found his research online. The two connected and now they bring their love of storytelling to this highly readable book. In *Killer Stories* Hodgskiss combines his interviews with the tenets of narrative psychology to take the reader into the minds of the killers and shares with us the ways in which his own journey as a psychologist and human being contributed to his deeper understanding of them. The book intertwines the killers' versions of the truth and the true crime stories behind them, re-telling their killing sprees in gripping detail. Journey with the authors as they lay out how the stories these men told themselves about their lives contributed to where they ended up and how those stories aren't that different from those we all tell ourselves.

**Michael Oakeshott: Notebooks, 1922-86** Michael Oakeshott, Luke O'Sullivan, 2014-01-21. From the 1920s to the 1980s Oakeshott filled dozens of notebooks with his private reflections both personal and intellectual. Their contents range from aphorisms to miniature essays forming a unique record of his intellectual trajectory over his entire career. This volume makes them accessible in print for the first time, drawing together a host of his previously inaccessible observations on politics, philosophy, art, education and much else besides. Religion in particular emerges as an ongoing concern for him in a way that is not visible from his published works. The notebooks also provide a unique source of insight into Oakeshott's musings on life, thanks to the hitherto unsuspected existence of the series of Belle Dame notebooks that were written in the late 1920s and early 1930s but which only came to light two decades after his death. At the same period in which he was developing the concepts that would form *Experience* and its *Modes*, Oakeshott's personal life led him to reflect extensively on love and death, themes that highlight his enduring romantic affinities. Accompanied by an original editorial introduction, the volume allows readers to see for themselves exactly which works Oakeshott used in compiling each of his notebooks, providing a much clearer record of his intellectual influences than has previously been available. It will be an essential addition to the library of his works for all those interested in his ideas.
