**The Free Church Today: New Life for the Whole Church** Arthur A. Rouner,2017-10-06 This important contribution to American ecumenism is an impassioned plea for an encounter between the mainline denominational churches and the vital new third force of the evangelical and free churches It strives to bridge the gulf between the most uncritical supporters of organic church union and those most suspicious of its organizational purpose and theology It suggests that the common elements of the New Testament church life in all local churches provide a basis for understandings out of which a new spirit and a broad new alignment can evolve It urges the mainline groups to achieve an understanding with these free churches whose doctrine of authority posits a direct personal rule of Christ over each local gathered congregation without the mediation of bishops priests synods or councils in seeking a

new basis for achieving the reality of the great church coming which is the ecumenical hope The author's conviction is that the future of the church in America and of any vital ecumenical witness rests with these left out churches and their creative rapprochement with other life of all churches together in an exciting and meaningful mission in which American churches of all traditions can share completely yet without compromise **My New Life** Jack Ray Griffin, Robert Silas Griffin, 2006-08 Infrequently a compelling heart warming human interest story such as this one surfaces This unique story contains a rich panorama of genealogy and history with a close up perspective of an individual conversion to Christianity and subsequent evangelistic ministry **Being Catholic** Thomas Zanzig, 2000-09-16 Discovering is a comprehensive parish religion curriculum for adolescents grades six to eight Each section comprises a student booklet and an accompanying teaching guide which is bound with a student booklet **Prisms of Faith** Robert E.
