Hope for Common Ground Julie Hanlon Rubio, 2016-05-02

Much like the rest of the country American Catholics are politically divided perhaps more so now than at any point in their history In this learned but accessible work for scholars students and religious and lay readers ethicist Julie Hanlon Rubio suggests that there is a way beyond red versus blue for orthodox and progressive Catholics In a call for believers on both sides of the liberal conservative divide to put aside labels and rhetoric Rubio a leading scholar in marriage and family for more than twenty years demonstrates that common ground does exist in the local sphere between the personal and the political In *Hope for Common Ground* Rubio draws on Catholic Social Thought to explore ways to bring Catholics together Despite their differences Catholics across the political spectrum can share responsibility for social sin and work within communities to contribute to social progress Rubio expands this common space into in depth discussions on family fragility poverty abortion and end of life care These four issues though divisive are part of a seamless worldview that holds all human life as sacred Rubio argues that if those on different sides focus on what can be done to solve social problems in the space between or local communities opposing sides will see they are not so far apart as they think The common ground thus created can then lead to far reaching progress on even the most divisive issues and help quiet the discord tearing apart the Church

Intimacy: Missing "Peace" in the Puzzle of True Love & Close Relationships

Terrence Richburg, 2013-06-18 So what do you do when this thing called life breaks down and falls apart at the seams What happens when all your efforts to cope only bring temporary peace and contentment in the face of certain failure How do you attempt to solve the puzzle and put all the pieces back together again Explore the true power of intimacy as experienced in contemporary life situations Examine its depth and dynamic application within human relationships and investigate why God's view of intimacy is so essential both for today and for all eternity Enter the world of intimacy at your own risk you may just find exactly what you're looking for or you might just find precisely what you weren't expecting Regrettably this weekend represented what had become somewhat of a perpetual routine for Chris and Amanda It began sometime ago an appointment of intrinsic fate habitual yet not apparent to them Even so with an air of understatement emerging on this particular weekend things would prove to be just a little different somehow for they were destined to live in the impossible Amanda and

Christopher were about to encounter a miracle of incomparable proportions both independently and together This day of all days would prove to be the turning point the one day that would change their lives forever Like a rope tightly woven of thin silk strands of time and suspended reaction it all appears fragile at a glance and a stare But its strength may only be recognized through a blind touch in the dark

As the sparks that once burned their marriage resurface in unexpected ways, old wounds reopen alongside surprising moments of laughter, tenderness, and reluctant teamwork.
