The Lottery Book Don Catlin,2003 This book should be read by everyone who plays the state run lotteries Despite the fact that we players all know the odds are a million to one against winning those big jackpots most of us don t know the nature of these games or the math behind them or yes how to most effectively play them In this groundbreaking book you will learn How to increase your chances of winning a jackpot that doesn t have to be shared with other players How to tell when a jackpot becomes a positive expectation bet and what that really means How to keep the long arm of the

government from getting its hands on significant portions of your wins How to figure the odds on the various lotteries and the typical scratch off tickets How to find positive expectation scratch off games during special promotions **Get the Edge at Low-Limit Texas Hold'em** Bill Burton, 2004-03 Low Limit Texas Hold em is the fastest growing casino poker game But new players often come to the poker rooms completely unprepared to play a winning game Even so called veteran players are often long term losers at the game because they have never taken the time to study how to play or analyze their own individual games As author Bill Burton clearly shows in Get the Edge at Low Limit Texas Hold em a savvy low limit player can turn a profit at this game by exploiting the weaknesses of his or her opponents and developing his or her own strengths In Get the Edge at Low Limit Texas Hold em you will learn The basics of proper play the rules the protocols What starting hands to play and what starting hands to throw away The concept of table position and how that affects what hands to play The proper times to check raise fold and check raise When to bluff and to semi bluff How to win in Low Limit Hold em tournaments The proper bankroll requirements for the type of games you play in How to size up your opponents and their playing styles The most common mistakes made by novice or unskilled players How to read your opponents tells to gain the advantage Money management techniques to handle your bankroll In addition Bill Burton explains his own fascinating journey from the kitchen to the cardroom and how in just a few short months of intensive study and practice he became a winning player **Gambling for Winners** Ward Wilson, This book is for you only if you gamble to make money If your idea of fun and entertainment includes giving away your hard earned money to casinos I can t help you If you enjoy sitting in a mindless bright lights dinging trance while you drop quarters down a slot this book is not for you If you think casinos are built and run by stupid people you better stay out of them If you think you can beat a blackjack dealer by wild assed guessing think again If you play poker just because it s now so popular you don t need my book If you believe you can just happen to be lucky enough to beat the odds you live in a fantasy world and you d hate this book for destroying your illusions But if you re hard headed serious willing to work and tired of the mainstream gambling books that simply teach you how to lose less rather than win If you understand casinos don t stay in business by giving out more money than they take in This is an extensive examination of the most popular forms of gambling If you can find any positive expectation bets and how Some of the material is controversial Some of it is unique It s not for beginners If you don t already know how to play blackjack or craps buy and read the basic books first This one assumes you know and understand the rules of play If you have emotional or psychological issues around money my strong advice is don t gamble If you want to believe casinos are playgrounds built for your amusement this is not the book for you I use statistical concepts and common sense to strip away the bright lights and glamor to reveal the mathematical realities of gambling For the most part it s not pretty Not if you want to make money instead of lose it But there are opportunities there for people willing to work hard and understand the obstacles so they can surmount them If you re still an emotional child needing the adrenaline rush and excitement of winning money this is not for

you And not only the casinos want to take your money hordes of online scammers selling bogus systems online also are after the money belonging to would be pro gamblers Until you can enter a casino and remain blind to the red carpeting the flashing lights dingling slots and the entire aura of glamorous partying you ll remain a loser If you have enough money to pay for a mirage that s up to you Most people don t
