Shattered Silence Melissa Grace Moore, M. Bridget Cook, 2011 The story of the early life of Melissa G Moore daughter of convicted serial killer Keith Jespersen *The Resonance Of Shattered Time* , 2025-04-30 In a world fractured by a cataclysmic event known as the Sundering echoes of the past haunt the present warping reality and threatening to tear it apart When a reluctant scribe named Kaelen discovers a hidden power within himself he is forced to flee his sheltered life and confront two fanatical factions vying for control of this shattered world the power hungry Resonance Cult and the exterminationist Silencer Order Driven by desperation and guided by a fragile hope Kaelen embarks on a perilous journey learning to wield his abilities and facing impossible choices as he races against time to prevent the collapse of reality itself

Middle East Perspectives Bassil A. Mardelli, 2010-04 Middle East Perspectives is the first book of a trilogy about the Middle East and it addresses the period from 1947 to 1967 The author seeks to portray personal recollections of events that occurred mainly in Egypt Lebanon Iraq and Syria over a span of twenty years Decisions made by key political players have influenced their lives and many readers can offer a concise preliminary account of their experiences in the Middle East and provide a dramatic journal of observations Contributions in terms of personal perspectives and interpretations focus on international affairs not personal minutiae The author talked with many people from Egypt and the Levant who left there but who voluntarily allowed him to draw on their knowledge and experiences He kept diaries from his high school days as well as personal memoirs to which he often referred to look up particular dates for instance the demonstrations that were started during his high school days for the causes of Algeria and Patrice Lumumba and the launching of Lebanon s first rockets Volume One addresses the period beginning with an early stage when the Middle East was still experiencing the unforeseen repercussions of the victorious Allied Forces over Germany in World War II until the commencement of the one hundred and twenty hours of the Arab Israeli War in 1967 In fact the ensuing situation is still one of the factors behind the turmoil in the Middle East When the governing elite begin to compete and fight among themselves there is every certainty that their journey will be hazardous and there is

no guarantee they will arrive safely It is true that their differences in the end will prove to be illusory and in the absence of any serious effort at reconciliation rebellious second raters will take over The prestige and importance of the incoming rebels is considered to exceed by far that of those of the outgoing rulers themselves The political powers of the newcomers are interwoven with the material rewards of offices When the rebels become rulers the palaces jewels and treasures of the deposed monarchs as for example in the cases of Kings Farouk I of Egypt and Faisal II of Iraq are taken over and distributed among the minority of their successors Eventually these rebels begin to establish a tradition for which they have perceived hereditary rights to their new important offices each to retain the position as heirs or next heirs to the authority This fact strangely typical of its kind up to now should be borne in mind when considering the explosive relations between clans at this juncture of Middle Eastern history And that will continue to be true as long as a constitutional Statehood is not in place One of the primary objectives of the junta is to figure out how to preserve their presence and maintain power Deeply moving is when foreign intervention begins to capitalize on such weaknesses thence the wheel begins to turn full circle As the realm flounders in inflation the intellectual elite and upper middle classes leave their home countries which can no longer satisfy their needs Thus begins the influx of immigrants arriving in Australia Europe and America

Ride the Pink Horse Dorothy B. Hughes, 2013-06-18 During the annual Fiesta three desperate men converge in a perilous New Mexico town in this extraordinary crime novel The New Yorker It takes four days for Sailor to travel to New Mexico by bus He arrives broke sweaty and ready to get what s his It s the annual Fiesta and the locals burn an effigy of Zozobra so that their troubles follow the mythical character into the fire But for former senator Willis Douglass trouble is just beginning Sailor was Willis s personal secretary when his wife died in an apparent robbery gone wrong Only Sailor knows it was Willis who ordered her murder and he s agreed to keep his mouth shut in exchange for a little bit of cash On Sailor s tail is a cop who wants the senator for more than a payoff As Fiesta rages on these three men will circle one another in a dance of death as they chase truth money and revenge

Religion and Canadian Society Lori G. Beaman, 2012 This text offers an outstanding selection of readings that represent an overview of the key issues in the sociology of religion from a uniquely Canadian perspective Masterfully planned and united by clearly articulated themes the second edition moves through three thematic cornerstones contexts identities and strategies Recurring sub themes include the definition of religion the secularization debate the challenge of diversity and the gendered aspects of religious experience Key additions to this edition include a discussion on cultural diversity an exploration of religion and sexuality and a thorough historical overview of religion in Canada

Understanding Abuse Mary Lou Stirling, Baukje Miedema, 2004-01-01 Based on research projects conducted over ten years Understanding Abuse profiles the work done by researchers of issues related to woman abuse and family violence

Bad Pastors Anson D. Shupe, William A. Stacey, Susan E. Darnell, 2000-08 Child molesting priests embezzled church treasures philandering ministers and rabbis even church endorsed pyramid schemes that defraud gullible parishioners of

millions of dollars for the past decade clergy misconduct has seemed continually to be in the news Is there something about religious organizations that fosters such misbehavior Bad Pastors presents a range of new perspectives and solidly grounded data on pastoral abuse investigating sexual misconduct financial improprieties and political and personal abuse of authority Rather than focusing on individuals who misbehave the volume investigates whether the foundation for clergy malfeasance is inherent in religious organizations themselves stemming from hierarchies of power in which trusted leaders have the ability to define reality control behavior and even offer or withhold the promise of immortality Arguing that such phenomena arise out of organizational structures the contributors do not focus on one particular religion but rather treat these incidents from an interfaith perspective Bad Pastors moves beyond individual case studies to consider a broad range of issues surrounding clergy misconduct from violence against women to the role of charisma and abuse of power in new religious movements Highlighting similarities between other forms of abuse such as domestic violence the volume helps us to conceptualize and understand clergy misconduct in new ways

Catalog of Copyright Entries, Third Series, 1974 *Religion in Today's World* Melissa M. Wilcox, 2013-12-19 Religion is a major force in contemporary society It is also one of the least understood social and political influences on individuals and communities In this innovative collection of original essays and classic readings experts explore the significance of contemporary religiosity as a source of meaning and motivation how it unites and divides us and how it is used politically and culturally Readers will be introduced to the broad debates in ways that will equip them to analyze discuss and make their own judgments about religion and society This book should be read by anyone interested in understanding religion as a central source of meaning and politics and is ideally suited for undergraduate teaching on religion and social issues and from a global perspective
