Shattered Visage The Real Face Of Atheism:

A Shattered Visage Ravi Zacharias,1993-07 The real face of atheism whether disguised in Eastern mysticism or American cynicism is despair A witty and thought provoking comparison of atheistic and Christian beliefs The Real Face of Atheism Ravi Zacharias,2004-09 This analysis of atheism drawn from a wide range of philosophy and history exposes its flaws while defending the purpose and meaning that Christ brings to one s life **A Shattered Visage** Ravi Zacharias,1996

Our Heavenly Father the Immutable Holy God Steven G. Miller,2022-05-19 I have been on a long spiritual journey studying Christian theology Overtime it became abundantly oblivious to me that if the Christian faith is really true it is not being given the weight suggested by what we profess to believe There are aspects of what we profess to believe that are very comforting the Love of God for one There are aspects of Christianity that are hard to understand Hell as another example These two aspects of our faith coexist in the immutable nature of God Neither of these aspects of God s nature can ever be diminished or compromised Since God cannot compromise His intrinsic nature these truths give rise to our need for a all sufficient Savior This book is exploring the wonders of God s salvific work to bring sinners into a right standing with our Heavenly Father Growing Your Church Through Evangelism and Outreach Marshall Shelley,1999-01-14 Rookies may be fun to watch but there is no substitute for experience When the pressure mounts you go with the veteran That s why Growing Your Church Through Evangelism and Outreach can be such a vital resource It is written by pastors and church leaders who spend their lives looking outward and helping others do the same Conversational Evangelism Norman L. Geisler,David Geisler,2009 Witnessing used to involve laying out the truth and guiding a person to understand and accept it But the awareness of basic Christian principles has changed and so have the needs of pre believers With a passion for people authors David and Norman Geisler share an engaging conversational approach to evangelism as they address What makes old models of witnessing ineffective in today s culture Why evangelism must start with relational pre evangelism How to ask questions listen attentively and understand what someone believes Ways to identify the real barriers to belief in order to build a bridge to truth How to keep dialogue going with different personality types This refreshing practical resource is ideal for churches and individuals Readers will discover how God uses their everyday encounters for great things when they switch from trying to witness effectively to effectively being a witness through communication and compassion *Spiritual Entropy* Gilbert L. Wedekind,2003-03 **A World of Difference (Reasons to Believe)** Kenneth Richard Samples,2007-09-01 Recent Barna research indicates that less than one in ten evangelical Christians hold a biblical worldview A World of Difference seeks to change this disturbing fact by educating readers on how the Christian perspective is uniquely reasonable verifiable and liveable Author Kenneth Richard Samples faced a profound test of his own belief system during a personal life and death crisis In A World of Difference he uses nine distinct tests to compare the Christian worldview with current religious and philosophical competitors including Islam postmodernism naturalism and pantheistic monism Samples tackles tough issues

through this in depth study of Christianity s history creed and philosophical basis An excellent resource for readers who want their view of life and the world to make sense

The Twilight of Atheism Alister McGrath,2007-12-18 In this bold and provocative new book the author of *In the Beginning* and *The Reenchantment of Nature* challenges the widely held assumption that the world is becoming more secular and demonstrates why atheism cannot provide the moral and intellectual guidance essential for coping with the complexities of modern life Atheism is one of the most important movements in modern Western culture For the last two hundred years it seemed to be on the verge of eliminating religion as an outmoded and dangerous superstition Recent years however have witnessed the decline of disbelief and a rise in religious devotion throughout the world In *THE TWILIGHT OF ATHEISM* the distinguished historian and theologian Alister McGrath examines what went wrong with the atheist dream and explains why religion and faith are destined to play a central role in the twenty first century A former atheist who is now one of Christianity s foremost scholars McGrath traces the history of atheism from its emergence in eighteenth century Europe as a revolutionary worldview that offered liberation from the rigidity of traditional religion and the oppression of tyrannical monarchs to its golden age in the first half of the twentieth century Blending thoughtful authoritative historical analysis with incisive portraits of such leading and influential atheists as Sigmund Freud and Richard Dawkins McGrath exposes the flaws at the heart of atheism and argues that the renewal of faith is a natural inevitable and necessary response to its failures *THE TWILIGHT OF ATHEISM* will unsettle believers and nonbelievers alike A powerful rebuttal of the philosophy that for better and for worse has exerted tremendous influence on Western history it carries major implications for the future of both religion and unbelief in our society

[For the Living of These Days](#) David L. Petty,2016-02-25 I m on death row the state wants to kill me but I m innocent Can you help me get through these days In this manner I was invited to become Joe s pen pal My agreement set in motion a long arduous

pilgrimage Little in my background seemed suitable for such an undertaking yet I had personally wrestled with the issues of criminal behavior corrections and capital punishment Also as a Christian I felt that there was a spiritual dimension to be explored If execution was to come shouldn't we deal with Job's question If a man die will he live again Indeed I believe that all people should prepare for the aftermath of physical death Joe was an exceptional young man an atypical inmate He was a scholar in a place where such would be deemed next to impossible He was a trusty in a place where the rank and file would ridicule industriousness He became a saint in a place where unrepentant sinners were the norm The pending peril of execution became the linchpin for our ongoing exchanges regarding the issues of capital punishment and spiritual readiness for early death For the Living of These Days was for both of us a living toward dying But isn't that true for everyone

The Mystery of Life What'S It All About? David E. Peebles, 2018-03-15 Have you ever seriously considered the most difficult and puzzling questions presented to our minds during this mortal sojourn through an often difficult and challenging existence Who am I Where did I come from Why am I here Where am I going And perhaps the most important question of all What is my purpose for living In this ultra modern digital world of today many people have become so preoccupied with the daily pursuits of life and the addictive overuse of time consuming technology that many of them rarely pause to seriously consider what life is actually all about In writing The Mystery of Life it has been my hope and my goal to personally challenge each reader to consider many relevant facts and to follow a line of evidence pointing toward a worldview that is often overlooked and too easily marginalized We live in an aggressive technology driven world where the wild pursuit of power prestige possession and pleasure has become the driving influence ruling over many of our lives What does your worldview look like Is there enough evidence to support it beyond reasonable doubt If not then I invite you to consider a vast body of mounting evidence that could lead toward a more accurate discernment of an often confusing existence The view of life that we have each come to know will strongly influence everything we do say and become in this world Based on a remarkable consensus of evidence perhaps we should consider a worldview understanding that will ultimately avail our hearts and minds of the personal fulfillment and satisfaction we have always longed for and often dreamed of We owe it to ourselves to seriously consider where the evidence is leading us Isn't it about time to discover the answers to our most persistent and pressing questions The Mystery of Life is presented as a literary expose addressing the questions of origin meaning morality and destiny
