2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 **Shattered** John Peel, 1993 After Kimberly's mysterious death Stephanie retraces Kimberly's last steps to the antique shop in the mall **Feminist Eschatology** Emily Pennington, 2016-08-25 Many feminist theologians have made timely and valuable contributions to rethinking the eschaton by framing it as cyclical and by embracing endings as they are experienced by present relational fluid and sensuous bodies. However, any sense of eschatological finality or ultimacy has either been rejected or ignored. Feminist Eschatology seeks to think differently about Christian eschatology in light of contributions from feminist theologians noting the numerous and varied critiques they have made of traditional models. These critiques are identified as being directed towards three key claims: eschatology is understood to be actuated by a domineering God populated by masculinised beings and disassociated from present lives; Using a form of strategic feminism wherein traits associated with female bodies and some women's experiences of their bodies are used to rethink the end time of the eschaton; this book contributes to the meaning and significance of both bodies and eschatology. Ludic Ubuntu Ethics Mechthild Nagel, 2022-11-30 *Ludic Ubuntu Ethics* develops a positive peace vision taking a bold look at African and Indigenous justice practices and proposes new relational justice models. Ubuntu signifies shared humanity, presenting us a sociocentric perspective of life that is immensely helpful in rethinking the relation of offender and victim. In this book Nagel introduces a new theoretical liberation model: ludic Ubuntu ethics, to showcase five different justice conceptions through a psychosocial lens, allowing for a contrasting analysis of negative Ubuntu (e.g. through shaming and separation) towards positive Ubuntu (e.g. mediation, healing circles) and practices that no longer rely on punishment. Providing a novel perspective on penal abolitionism, the volume draws on precolonial, pre-carceral Indigenous justice perspectives and Black feminism using discourse analysis and a constructivist approach to justice theory. Nagel also introduces readers to a post-secular turn by taking seriously the spiritual dimensions of healing from harm and highlighting the community's response. Spanning disciplinary boundaries and aimed at readers seeking to understand how to move beyond reintegrative shaming and restorative justice theories, the volume will engage scholars of criminology, philosophy and law and more specifically penal abolitionism, social ethics, peace studies, African studies, critical legal studies and human rights. It will also be of great interest to practitioners and activists in restorative justice, mediation, social work and performance studies. *Bulletin of the Atomic Scientists*, 1970-06 The *Bulletin of the Atomic Scientists* is the premier public resource on scientific and technological developments that impact global security. When Humpty Shattered and the Hope Among the Pieces C. D. Cubb, 2017-06-09
