Shaw , 1986 **Shaw Volume 22** , 2002 *Shaw - The Annual of Bernard Shaw Studies* Stanley Weintraub, Fred

Crawford, 1988 The newest volume of SHAW captures the variety and range of Bernard Shaw's multifarious activities over a long and crowded lifetime We see G B S as an anonymous reporter covering Queen Victoria's opening of the Royal Institution in London as an unknown book reviewer of a volume about doctors anticipating his play as a Mozart saturated former music critic putting his version of Don Giovanni into his own opera without music Don Juan in Hell and as an early aviator including an encounter with a daring lady parachutist in *Misalliance* And we see Shaw inserting his ideas of Ireland into John Bull's Other Island propagandizing for a young French playwright because the new ideas eclipsed for him Eugene Brieux's turgid dramaturgy and engaging in half a century of exasperated mutual admiration with an Englishman whose ideas he detested but whose personality overwhelmed ideology Winston Churchill Finally a post Shaw actor and one of the ornaments of the contemporary London stage Daniel Massey explains how to perform the Master's lines today *Shaw* Gale K. Larson, 2001 SHAW 21 offers readers an eclectic perspective on Shaw his works and his contemporaries Basil Langton actor and director reminisces about his early development as an actor his meeting with Shaw and his career as director of many of Shaw's plays He focuses upon Shaw's stagecraft augmenting his views with those of Sybil Thorndike and Sir Lewis Casson whom he interviewed in 1960 Galen Goodwin Longstreth analyzes the correspondence between Shaw and Ellen Terry and argues that the exchange is itself a literary genre a dramatic performance that reveals their personal identities The next two contributors Stanley Weintraub and Andrea Adolph examine the Shaw Virginia Woolf relationship Weintraub focuses on those occasions when their respective lives touched each other what their feelings for each other were and how those occasions were obliquely woven into Shaw's plays most notably *Heartbreak House* Professor Adolph argues that in Woolf's only dramatic text *Freshwater A Comedy* she was conforming to the traditional theatrical mode of the day dominated of course by Shaw but that she subverted his traditional literary depiction of paternity as for example the paternity dramatized in *Major Barbara* Sidney Albert and Bernard Dukore provide unique perspectives on reading *Major Barbara* Albert shows how John Bunyan's *The Pilgrim's Progress* serves as Shaw's source for Barbara's progress toward enlightened understanding Dukore focusing on the perspective of the familial relationship within the play concludes that Shaw's dialectic gives the kids the future and not the dad It will be the next generation not Father Undershaft who will determine where society will go next Julie Sparks and Martin Bucco approach Shaw from a comparative basis juxtaposing him with two American writers contemporaries of Shaw Mark Twain and Sinclair Lewis respectively Sparks explores the commonality that exists in Shaw's and Twain's thinking about evolution namely their heretical visions of a post Darwinian Eden Both viewed conventional Christianity

iconoclastically but both arrived at different conclusions about human origin and destiny a view Sparks describes as emanating from the deist pessimist evolutionary determinist perspective versus the mystic optimistic creative evolutionist perspective or the Personal Godhead versus the Impersonal Force Professor Bucco enumerates the many references Sinclair Lewis makes to Bernard Shaw throughout his writings both prose and fiction to underscore the American novelist's admiration for the Irish playwright both recipients of the Nobel Prize for Literature The final two contributors to SHAW 21 Rodelle Weintraub and William Doan provide the readers with distinctive perspectives on John Bull's Other Island and The Doctor's Dilemma respectively Weintraub recasts the play into a dream sequence whereby Doyle's dream becomes an artifice for problem solving Implied within Father Keegan's lines in the play Every dream is a prophecy every jest is an earnest in the womb of Time is the resolution of Doyle's problem with Nora the girl he had left behind and of the dream of modernizing Roscullen Doan suggests that in The Doctor's Dilemma Shaw uses the idea of unconsummated adultery to argue for the efficacy of art over science In the conflict between the artist and the scientist the latter plans to have the artist's muse In the end not only is he deprived of the wife but also of the works of art themselves and the spirit that animates them SHAW 21 also includes three reviews of recent additions to Shavian scholarship as well as John R Pfeiffer's Continuing Checklist of Shaviana

Bernard Shaw's Marriages and Misalliances Robert A. Gaines, 2017-10-25 This book combines the insights of thirteen Shavian scholars as they examine the themes of marriage relationships and partnerships throughout all of Bernard Shaw's major works It also connects Shaw's own experiences of love and marriage to the themes that emerge in his works showing how his personal relationships in and out of matrimonial bonds change the ways his characters enter and exit marriages and misalliances While providing a wealth of new analysis this collection of essays also leaves lingering questions for the reader to spark continuing dialogue in both individual and academic settings

Conolly, 2022-08-24 Bernard Shaw on the American Stage is the first comprehensive study of the production of Bernard Shaw's plays in America During his lifetime 1856-1950 Shaw was America's most popular living playwright productions of his plays were outnumbered only by Shakespeare Forty-four of Shaw's plays were staged in America before his death eight more posthumously Eleven of the productions were world premieres Bernard Shaw on the American Stage tells the story of the fifty-two premieres which apart from a few fragments is his total dramatic oeuvre The book also includes again for the first time production data and concise overviews of dozens of the most notable American revivals of the plays from the 1890s to the beginning of the 2020 pandemic Illustrations production photographs programmes theatre buildings playbills actors' studio portraits inform the study throughout

Learning,2015-09-24 **Bernard Shaw's and Virginia Woolf's Interior Authors** Lagretta Tallent Lenker,2024-05-09

Virginia Woolf and Bernard Shaw may be the odd couple of Twentieth Century modernism Despite their difference in age Shaw was twenty six years older than Woolf and public demeanor Shaw sought public attention while Woolf shunned the spotlight they actively held similar convictions on most of the pressing and controversial issues of the day This book demonstrates that both engaged in social reform through the Fabian Society both took public anti war positions and paid dearly for it both fought British censorship throughout most of their careers as writers both sought to strengthen women s rights and both endeavored to revolutionize their respective art forms believing that art could bring about positive social change The main focus of the book however concerns how both also created interior authors characters who write and who either self censor their own works or highly publicized messages or are censored by their fellow characters These fictional authors maybe considered reflections of their creators and their respective milieus and serve to illuminate the satisfactions and torments of each famous author during the writing process **Bernard Shaw's Book Reviews** Brian Tyson,2008-01-31 These hitherto uncollected book reviews of Shaw his first journalistic efforts reveal much not only about the writer but also the culture of the time in which he lived Between 1885 and 1888 Bernard Shaw published 111 book reviews in the Pall Mall Gazette In spite of their importance as the first regular journalism Shaw wrote and the fact that the books fiction nonfiction plays and poetry he read during these years must have formed the nucleus of his permanent library the reviews have never before been analyzed in connection with Shaw s work Brian Tyson has assembled the book reviews complete with the books titles authors and a brief biography of each author including any comments Shaw made about the review and has placed them in historical context elucidating any interesting difficult or obscure references Tyson s critical introduction places the reviews in the context of Shaw s work and Victorian society The reviews are often characterized by the wit and brilliance that we associate with the later Shaw shedding light on his development as a writer at his most formative stage Regardless of the merits of the material Shaw was reviewing it is amusing and enlightening to follow him down to the wandering tributaries of

Late Victorian fiction and poetry which reveal as much about Shaw as they do about the preoccupations and prejudices of the average reader of the day

Shaw's Settings Tony J. Stafford, 2013-10-15 Picture the young George Bernard Shaw spending long days in the Reading Room of the British Museum pursuing a self taught education all the while longing for the green landscapes of his native Ireland It is no coincidence that gardens and libraries often set the scene for Shaw's plays yet scholars have seldom drawn attention to the fact until now Exposing the subtle interplay of these two settings as a key pattern throughout Shaw's dramas Shaw's Settings fills the need for a systematic study of setting as significant to the playwright's work as a whole Each of the nine chapters focuses on a different play and a different usage of gardens and libraries showing that these venues are not just background for action they also serve as metaphors foreshadowing and insight into characters and conflicts The vital role of Shaw's settings reveals the astonishing depth and complexity of the playwright's dramatic genius

Shaw's People Stanley Weintraub, 1996 How could Bernard Shaw have found anything to admire in Queen Victoria Or in the passionate evangelical General William Booth of the Salvation Army What possible connections could there be between Shaw the passionate socialist and the Tory Winston Churchill who seemed to represent everything Shaw should have rejected and despised In Shaw's People noted Shaw scholar Stanley Weintraub explores the relationships between Shaw and twelve of his contemporaries including Queen Victoria Oscar Wilde H L Mencken James Joyce and Winston Churchill Weintraub chose these individuals as lenses through which to look at Shaw but also for the ways in which their lives are illuminated through their often paradoxical relationships with Shaw While Shaw never met Queen Victoria his sovereign during the first forty five years of his life the degree of her influence is apparent in Shaw's reference to himself in his ninth decade as an old Victorian Weintraub explores those in the literary world who interacted with Shaw such as H L Mencken one of Shaw's earliest American fans who turned against his hero at the peak of his transatlantic reputation and James Joyce who was loath to confess his respect for his fellow Irishman He investigates the curious mutual admiration between Shaw and W B Yeats and Shaw's championing of Oscar Wilde despite the vast difference in their lifestyles Weintraub's skillful investigation of each of these twelve relationships illuminates a different facet of Shaw from his pre-dramatist years in London through the close of his long life
