Sheep Are Not Very Clever:

Verse, Metre and Rhyme for Your Quiet Time Jim Strickland, 2014-07-29 Jim was born in England and grew up in South Africa. He trained as a mechanical engineer in England and Canada and returned to RSA in 1974 where he was employed by Eskom for 16 years. He married Phyllida, a Cape Town girl, in 1981. Since then they have lived in several places in RSA: initially for Eskom, before retiring in 1990 on the grounds of poor health. After this, they pursued their Christian call in Middelburg, Worcester, Fish Hoek, Weltevreden Park, and Randburg. Their connections with various churches include Bryanston Baptist Fellowship (now known as New Covenant Fellowship), Rhema Randburg, Ermelo Christian Fellowship, the Methodist Church of SA (in 1 Middelburg, 2 Worcester, 3 Fish Hoek, and 4 Weltevreden Park). They also served the Lord in Weltevreden Chapel, Oak Tree Fellowship, and Riversong Family Church RFC. In RFC, they were lead elders from 2008 to 2010 when they retired. Jim's passion has been Bible teaching. He has concentrated on survey reading in order to help ordinary men and women gain a better understanding of the Scriptures. He has assisted Phyllida in presenting her course 'Hearing from God in various places in RSA'. This was done to help ordinary Christian men and women become more confident in hearing God for themselves rather than through others. For the past 32 years, Jim has been a prophetic poet taking God's Word to others in verse and rhyme. He is largely self-taught but attended Evening Bible School in Randburg in 1982. Jim and Phyllida are qualified as Local Preachers in the Methodist Church. They are also ordained ministers in the World Christian Network. Jim's ministry has been influenced by such men as Dr A W Tozer, Paris Riedhead, Gene Edwards, Derek Prins, Malcolm Smith, and in particular David Pawson. The Great Nightmen Conspiracy Tyge Krogh, 2019-08-20 The Great Nightmen Conspiracy explores the little-known magico-religious history of eighteenth-century Denmark. Essential tasks carried out by the nightmen, such as dealing with carcasses and assisting with executions, generated contempt from the rest of society but also led to the nightmen becoming deeply feared because of the dark and magical forces associated with their occupation. The discovery of a dead peasant at the edge of the fjord on 4 December 1734 led to the arrest of the nightmen Mikkel and Hans in the nearby market town of Kalundborg in Zealand. In court, their interrogation focused not on the suspected murder but on thefts of livestock, immorality, and other provocations committed by these socially ostracised nightmen. The court case became the largest of its time, implicating nightmen across half of Zealand and exposing divisions within society. This book uses a minutely researched set of incidents centring on the Danish pariah caste of nightmen to bring to light this unknown magico-religious side of Denmark. Through microhistorical methodology, The Great Nightmen Conspiracy presents a detailed insight into the lives of the nightmen in Kalundborg and the society that constructed their alienation. It is ideal for academics and postgraduate students of microhistory and urban history. An Examination of Bp. Wolves in Sheep's Clothing Larry Herneisey,2020-01-28 And Jesus answered and said unto them take heed that no man deceive you Matthew 24 4 Are Christians in today's churches being deceived If we were how would we know We often accept doctrines of today's popular teachers at face value without ever comparing their claims against the principles of Scripture Taking for granted that everything we are hearing taught is truthful and sound doctrine is to be very naive Jesus warns us in Matthew 7 15 Beware of false prophets which come to you in sheep's clothing but inwardly they are ravening wolves We live in an age of rapid change and much deception If the teaching of the church is going to remain sound the responsibility rests with us *Wolves in Sheep's Clothing* is a study guide a reference source and a thought provoking look at many of the teachings prevalent in today's Christian church The author exposes many of today's false teachings often with a bold stance The false teachers propagate their lies with boldness therefore at times it is necessary to stand against them with boldness After studying this work the reader will be empowered to sort through the misleading and deceptive doctrines of today and avoid the common traps set by most false teachers Hopefully by the end of the study the reader will have learned practical ways to determine for himself whether a teaching is truthful or in error At the very least this study will provoke the reader to deep spiritual thought and at the most it will set people free from the bonds of false teaching This study will benefit the fresh new believer and the seminary student as well as the seasoned Bible teacher This work is a must read for pastors teachers Bible study leaders and anyone who thirsts after truth **Matthew and George Culley** Matthew Culley,George Culley,2002 The travel journals and letters of Matthew and George Culley give a fresh and practical picture of agriculture and related conditions in England and Scotland in the late eighteenth century as seen by two successful farmers who pioneered and
