Dragon's Code Gigi McCaffrey, 2018-10-02 A new hero emerges in a divided world as one of sci fi s most beloved series Anne McCaffrey s *Dragonriders of Pern* relaunches with this original adventure from Anne s daughter Gigi McCaffrey In honor of the fiftieth anniversary of the *Dragonriders of Pern* series Gigi does her mother proud adding to the family tradition of spinning unputdownable tales that recount the adventures of the brave inhabitants of a distant planet who battle the pitiless adversary known as Thread The last time Thread attacked Pern the world was unprepared for the fight until the Oldtimers appeared These courageous dragonriders arrived from the past traveling four hundred years to help their descendants survive But the collision of past and present took its toll While most of the displaced rescuers adapted to their new reality others could not abide the jarring change and found themselves in soul crushing exile where unhappiness and resentment seethed Piemur a journeyman harper also feels displaced cast adrift by the loss of his spectacular boyhood voice and

uncertain of his future But when the Masterharper of Pern sees promise in the young man and sends him undercover among the exiled Oldtimers Piemur senses the looming catastrophe that threatens the balance of power between the Weyrs and Holds of Pern When the unthinkable happens Piemur must rise to the challenge to avert disaster and restore honor to the dragons and dragonriders of Pern Because now in a world already beset by Thread another more insidious danger looms For the first time in living memory dragons may be on the verge of fighting dragons **Level Zero** Jaron Lee Knuth,2011-11-06 The never ending wars pollution and overpopulation of the near future have caused the outdoors to become uninhabitable and the government is forced to create a new world a virtual existence that allows civilization to continue Shopping malls schools concert venues and religious gathering places all exist in the infinite confines of this new reality yet the most popular domain for most teenagers is the one that houses the endless array of digital games When the sequel to a popular title is released to the public for a special beta test a group of players eagerly log in to try out the new experience What seems like harmless violence quickly turns all too consequential when the players realize the game s biggest error They can t log out Forced to battle their way through an endless army of monsters programmed to kill their avatars the players must fight against the clock and find a way out of the game before the real world catches up to them *Chinese Art* Patricia Bjaaland Welch,2013-02-19 With over 630 striking color photos and illustrations this Chinese art guide focuses on the rich tapestry of symbolism which makes up the basis of traditional Chinese art Chinese Art A Guide to Motifs and Visual Imagery includes detailed commentary and historical background information for the images that continuously reappear in the arts of China including specific plants and animals religious beings mortals and inanimate objects The book thoroughly illuminates the origins common usages and diverse applications of popular Chinese symbols in a tone that is both engaging and authoritative Chinese Art A Guide to Motifs and Visual Imagery is an essential reference for collectors museum goers guides students and anyone else with a serious interest in the culture and history of China **The game of the Godmakers** 7 Ethan,2024-12-24
