THE SHELL: FIVE HUNDRED MILLION YEARS OF INSPIRED DESIGN HUGH|STIX STIX (MARGUERITE|ABBOTT, ROBERT TUCKER),1968 *Clam Down* Anelise Chen,2025-06-03 In this wondrously unusual memoir a woman retreats into her shell in the aftermath of her divorce and must choose between the pleasures and the perils of a closed up life a transformation fable from an acclaimed 5 Under 35 National Book Foundation honoree A marvel and a delight This is a book that will stay with me forever Leslie Jamison author of *Splinters* We ve all heard the story about waking up as a cockroach but what if a crisis turned you into a clam After the dissolution of her marriage a writer is transformed into a clam via typo after her mother keeps texting her to clam down The funny if unhelpful command forces her to ask what it means to clam down to retreat hide close up and stay silent Idiomatically we are said to clam up when we can t speak and to come out of our shell when we reemerge transformed In order to understand her path the clam digs into examples of others who have embraced lives of reclusiveness and extremity Finally she confronts her own clam genealogy to interview her dad who disappeared for a decade to write a mysterious accounting software called Shell Computing By excavating his past to better understand his decisions she learns not only how to forgive him but also how to move on from her own wounds of abandonment and insecurity Using a genre defying structure and written in novelistic prose that draws from art literature and natural history Anelise Chen unfolds a complex story of interspecies connectedness in which humans learn lessons of adaptation and survival from their mollusk kin While it makes sense in certain situations to retreat behind fortified walls the choice to do so also exacts a price What is the price of building up walls How can one take them back down when they are no longer necessary
