Morgan Guyton,2016-04-01 Christianity has always been about being saved But today what Christians need saving from most is the toxic understanding of salvation we ve received through bad theology The loudest voices in Christianity today sound exactly like the religious authorities who crucified Jesus This is a book for Christians who are troubled by what we ve become and who want Jesus to save us from the toxic behaviors and attitudes we ve embraced Each of the 12 chapters proposes an antidote for the toxicity that has infiltrated Christian culture such as Worship not Performance Temple not Program and Solidarity not Sanctimony Each chapter includes thought provoking discussion questions perfect for individual or group study There are many reasons to lose hope about the state of our world and our church but Guyton offers one piece of good news Jesus is saving the world from us one Christian at a time *The Wooing of Wistaria* Winnifred Eaton,2019-12-05 In The Wooing of Wistaria Winnifred Eaton weaves a captivating narrative that explores themes of love cultural identity and the often tumultuous intersection of personal desire and societal expectations The novel is set against a lush evocative backdrop showcasing Eaton s vivid descriptions and lyrical prose which transport readers to a world steeped in both beauty and emotional depth As a work of early 20th century literature it reflects the complexities of multicultural influences during an era of significant social change infusing her characters with rich layers of complexity and longing Winnifred Eaton also known by her pen name Onoto Watanna was one of the first Asian American authors to gain recognition in the literary world Born to a Chinese mother and a British father Eaton s unique cultural background profoundly influenced her writing allowing her to explore themes of hybridity and belonging Her experiences navigating the intricacies of race and identity inform the emotional depth of The Wooing of Wistaria revealing the nuances of love that transcend cultural boundaries This novel is a must read for those seeking to delve into the subtleties of romance entwined with identity Eaton s ability to create relatable characters imbued with rich cultural contexts invites readers on an exploration of their own understanding of love and acceptance By engaging with this poignant tale readers will find themselves reflecting on the broader implications of love in a multicultural society **The Wooing of Wistaria** Onoto Watanna,1902 *The Wooing of Wistaria* Onoto Watanna,2021-02-23 The Wooing of Wistaria follows the life of a vicarious and bubbly young Japanese woman Lady Wistaria Beginning with her presentation to high society Wistaria reflects on her experience meeting the court Accompanied by her

aunt who was her guardian Wistaria visits the capitol city for the first time enamored by the sights She enters the court knowing all that was expected of her The court is in awe of her beauty but when Wistaria makes a small mistake she is immediately shamed Though Wistaria is kind beautiful and full of personality she is consistently judged throughout her life for her qualities that conflict with society's standards This is especially evident in her relationship to her father who is a stoic and harsh man Dedicated to upholding the social expectations and etiquette Wistaria's father is tough on her and despite her reflections Wistaria never really understands why Through the depiction of Lady Wistaria's life *The Wooing of Wistaria* by Onoto Watanna provides representation of Asian heritage and aspects of 20th century Japanese society allowing readers a privileged perspective into the culture Featuring beautiful and detailed descriptions of Japanese landscapes the physical environment of Japan is represented as vividly as the cultural and social atmosphere With themes of gender and sexuality *The Wooing of Wistaria* is thought provoking and enlightening on the constructs of Asian femininity Through the characterization of Lady Wistaria *The Wooing of Wistaria* portrays a bright and cheery young woman who does not fit the role she is expected to fill First published in the early years of the 20th century *The Wooing of Wistaria* by Onoto Watanna has rarely been in print since its original publication This special edition features a stunning cover design and is printed in an easy to read font With these accommodations this edition caters to contemporary readers by restoring the novel to modern standards while preserving the original intricacy of Onoto Watanna's work
