## Lord Of The Two Lands:

**Queen Esther wife of Xerxes: Chronological, Historical and Archaeological Evidence** Gerard Gertoux,2015 Very few Bible scholars believe now in the historicity of the book of Esther but what is really incomprehensible is that their conclusion is based only on the following prejudice this story looks like a fairy tale consequently it is a fairy tale There is no chronological investigation despite the fact that chronology is the backbone of history and there has been no historical research among archaeological witnesses despite the fact that apart from ancient texts there is no witness Worse still to establish their chronology historians have blind faith in the Babylonian king lists which are nevertheless false reporting no usurpation and no co regency Additionally in order to establish historical truth they regularly quote the official propaganda of the time which is very often misleading Yet it is easy to check in the tablets of Persepolis that Mordecai was an eminent royal scribe called Marduka who worked with Tatennai the governor beyond the River under the direction of U tanu the satrap of Babylon during the years 17 to 32 of Darius Similarly the narrative of Herodotus regarding Amestris a name meaning vigorous woman in Old Persian Xerxes unique wife and only queen known in Persia corresponds in many ways to Esther star in Old Persian despite the unfavourable and biased description of the Persian queen Comet Venus Gary Gilligan,2009-12-10 In the 1950s Immanuel Velikovsky propounded catastrophism in several popular books including the bestselling Worlds in Collision He speculated that the planet Venus was in fact a former comet which had been ejected from Jupiter Subsequently 3 500 years ago it made two catastrophically close passes by Earth 52 years apart It later interacted with Mars which had a series of near collisions with Earth ending in 687 BCE before finally settling into its current orbit Was Velikovsky correct did Venus appear as a gigantic comet in ancient times Comet Venus is the second book in the God King Scenario Series The first book An Ancient World in Chaos presented a fascinating model whereby Mars Venus Mercury and the Moon played havoc with Earth for an incredible 3 000 years coming so close they loomed larger than the Sun In support of such incredible claims Gilligan calls upon the most fascinating civilisation of ancient times the Ancient Egyptians He proposes that the divine god kings of Pharaonic Egypt were first and foremost guises of planetary bodies as they appeared to move back and forth to Earth He further proposes that these heavenly monarchs were represented by human doubles mortal Pharaohs who were believed to be earthly manifestations of god king planets The primary objective of Comet Venus is to vindicate Velikovsky and conclusively demonstrate that the comet images on the front and back covers of this book have nothing whatsoever to do with the Sun They are exact physical representations of the planet Venus as it took on the attributes of a comet in the skies above Earth only a few thousand years ago **Ancient Egyptian Literature, Volume I** Miriam Lichtheim,2006-04-03 Praise for the first editions Concise lucid and altogether interesting The notes on the individual texts are unfailingly illuminating Books Abroad now World Literature Today **Egypt and the Classical World** Jeffrey Spier,Sara E. the Predynastic Egyptians of the later part of the Neolithic Period before the art of writing had evolved and continued to exercise a considerable influence on Egyptian religious literature until the time of Roman Empire The ceremonies were believed to enable the spiritual elements of the deceased to continue their existence The object of the formulae was the reconstitution of the body and the restoration to it of the heart soul Ba This is the first volume of The Book of Opening the Mouth first published in 1909 which is edited from three copies written in the nineteenth twentieth and twenty sixth Dynasties respectively It is believed they describe faithfully the forms of the rites which originated among the indigenous inhabitants of the Nile Valley     **A History of the Pharaohs ...** Arthur Edward Pearse Brome Weigall,1927     **The Journal of Egyptian Archaeology** ,1928     **Cleopatra's Needle, with Brief Notes on Egypt and Egyptian Obelisks.
