Lord When A Biblical Perspective Of The Second:

Lord, When? John J. Cobb, 2004-03-16 Lord When looks at the Second Coming from a Scriptural point of view while examining the questions objections and various views of the tribulation and the rapture As the world draws nearer and nearer to the Second Coming it is more important than ever that all Christians understand what the Bible says about this crucial doctrine Our greatest hope lies not in theories or inferences but in undeniable facts left by our Lord in His holy word about The seventh trumpet The great apostasy The restrainer The Antichrist The Seventy Weeks of Daniel The 144 000 servants With over twenty years of research and study of the end times author John J Cobb brings a special and unique approach to these areas He has taught four verse by verse expositional classes on the book of Revelation His passion for scriptural clarity in Eschatology has been the driving force behind Lord When Whether the information gathered is from him or other authors and experts in this area Minister Cobb has taken great care to bring it all to bear against the backdrop of Holy Scripture the final arbiter of all Christian Doctrine *Perspectives on the Sabbath* Christopher John Donato, 2011-03-15 Four views of the Sabbath commandment Seventh day Fulfillment Christian Sabbath and Lutheran are presented by scholars in point counterpoint style to determine which is most faithful to Scripture *The Handbook of Eschatology, Or, A Consistent Biblical View of the Lord's Return* Walter Roy Goff, 1917 **Lord When?** John Cobb, 2023-05-30 **Trinitarian Perspectives in the Apostolic Fathers** Mina Fouad Tawfike, Emad Atef Ezzat Hanna, 2023-12-21 In this in depth exploration the authors embark on a journey to uncover the intriguing questions about the Trinity's emergence in the writings of the Apostolic Fathers As this study takes a close look at whether we can find signs of the Trinity and shared understandings in these early texts shedding light on whether these writings reflect a triadic way of talking about God A crucial aspect of the investigation is to see if there is a common belief about the Trinity offering insights into the theological ideas of that time A central question arises Did the early Apostolic Fathers have a sense of the Trinity If so how did they try to understand it Immersed in the early Christian mindset this book examines how each text talks God the Father Jesus and the Holy Spirit in relation to each other With scholars like Larry Hurtado and Richard Bauckham guiding the way the study explores the connections and differences between the beliefs about God the Father Jesus and the Holy Spirit in the Apostolic Fathers corpus This rich work connects the past with contemporary theological questions Through careful research Trinitarian Perspectives in the Apostolic Fathers reveals the interplay of history faith and divine understanding This book is a helpful resource for theologians historians and anyone seeking a deeper understanding of early Christian beliefs **Seeing the Lord's Glory** Christopher B. Kaiser, 2014 The dilemma of early Christology Kaiser observes is found in the early Christian claims to have seen the Lord and beheld his glory expressions that in early Judaism would have pointed unequivocally to visions of Israel's God The shift of those claims onto the figure of Jesus is usually explained either as a result of the resurrection of Jesus presumed as a historical event or on the influence of pagan polytheism Kaiser examines

the phenomenon of kyriocentric visions in Second Temple Judaism asking whether such traditions are sufficient to account for the shape of early claims regarding the divinity of Christ *Biblical Creation Stories* Mark G. Boyer, 2025-07-31 The Bible has multiple creation accounts Most people know or have heard of the one which took six days but they are not familiar with the rest Biblical creation stories are plural because they are hypothetical inventions by various biblical authors The simple fact of the matter is that there was no one present when creation occurred Thus with no firsthand experience various biblical authors each with his own biases and politics wrote one Biblical creation stories are about the act of God creating and the product of that creation While it is not exhaustive this book explores the many biblical creation stories and invites readers to use them to nourish their spirituality Spirituality is the experience of the human spirit connecting to the divine Spirit or vice versa Through reading the plurality of biblical texts about creation through reflections on creation accounts through praying a part of a psalm through meditating on a question designed to lead the reader into deeper reflection based on one's personal life and through journaling to record insights a reader can nourish his or her spirituality Insights can be gained that strengthen the Spirit spirit connection **From Sabbath to Lord's Day** D.
