

What is the Lord of the Isles?

Lord of the Isles is a title of Scottish nobility with historical roots that go back beyond the Kingdom of Scotland. It began with Lord Somerled in the 12th century and thereafter the title was held by a series of his descendants, the Norse Gaels rulers of the Isle of Man and Argyll and the islands of Scotland in the Middle Ages. They wielded sea-power with fleets of galleys. Although they were, at times, nominal vassals of the Kings of Norway, Ireland, or Scotland, the island chiefs remained functionally independent for many centuries. At their height they were the greatest landowners and most powerful lords after the Kings of England and Scotland.
