Carter, 1991 This insightful study opens with an overview of Hansberry's cultural social political and philosophical views and their relations to her artistic goals **Black Women's Liberation Movement Music** Reiland Rabaka, 2023-10-30 *Black Women's Liberation Movement Music* argues that the Black Women's Liberation Movement of the mid to late 1960s and 1970s was a unique combination of Black political feminism Black literary feminism and Black musical feminism among other forms of Black feminism This book critically explores the ways the soundtracks of the Black Women's Liberation Movement often overlapped with those of other 1960s and 1970s social political and cultural movements such as the Black Power Movement Women's Liberation Movement and Sexual Revolution The soul funk and disco music of the Black Women's Liberation Movement era is simultaneously interpreted as universalist feminist in a general sense and Black female focused This music's incredible ability to be interpreted in so many different ways speaks to the importance and power of Black women's music and the fact that it has multiple meanings for a multitude of people Within the worlds of both Black Popular Movement Studies and Black Popular Music Studies there has been a long standing tendency to almost exclusively associate Black women's music of the mid to

late 1960s and 1970s with the Black male dominated Black Power Movement or the White female dominated Women's Liberation Movement. However, this book reveals that much of the soul funk and disco performed by Black women was most often the very popular music of a very unpopular and unsung movement. The Black Women's Liberation Movement Black Women's Liberation Movement Music is an invaluable resource for students, teachers, and researchers of Popular Music Studies, American Studies, African American Studies, Critical Race Studies, Gender Studies, and Sexuality Studies. *The 20th Century Go-N* Frank N. Magill, 2014-03-05. Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

[The Black Theatre Movement in the United States and in South Africa](#) Olga Barrios, 2008. El creixement dels moviments sociopolítics entre els anys seixanta i noranta als Estats Units i a Sud-àfrica va establir els fermes fonaments sobre els quals amb una força i ímpetu sense precedents es va forjar el teatre negre d'aquests anys. Forma i contingut van sorgir a l'una del compromís polític i artístic adoptat per aquests artistes contra l'imperialisme, el colonialisme i el racisme occidentals. Per primera vegada en la història, el teatre negre dels Estats Units i de Sud-àfrica analitzava i valorava les arrels negres per a poder il·luminar la recerca d'un futur de llibertat. No obstant això, el context sociopolític i les circumstàncies específiques de cada país han generat igualment els trets distintius del teatre afro nord-americà i negre sud-africà, inclosos les diferències de gènere, manifestos en ramificacions artístiques totalment heterogènies i níquies.
