Lost Films Of John Wayne:

The Lost Films of John Wayne Carolyn McGivern, 2004 Hollywood icon John Wayne created a personal treasure trove of films during a fifty year career spanning 1926-1976. Today over twenty years after his death scarcely an hour goes by without one of them appearing somewhere in the world's TV listings. Thankfully for the fans only a handful remain unobtainable in an era of remastered miracles and out of all the movies he made post 1939 just two are retained the last remaining prints of both apparently damaged. For whatever reason neither one has been made available since soon after their original 1950's distribution. *ISLAND IN THE SKY* and *THE HIGH AND THE MIGHTY* are an unusual pair of aerial films shot and screened when Wayne's westerner and war hero image were reaching their zenith. This book looks at both films in some depth and includes many fascinating photographs and production details. Director William A. Wellman a Hollywood legend in his own right the rich array of stars of both movies Ernie Gann the writer of both the novels on which the films are based and of course John Wayne's dual roles as producer and star of both movies are all investigated thoroughly. This is McGivern's second book concentrating on John Wayne. The first *A GIANT SHADOW* (0954003101) looked at the man this one at two films that most of his fans may treasure in their memories but certainly won't have seen for many years. Gone but not forgotten. It attempts to uncover the murky history of the films since the 1950's and takes a hopeful peak at a prospective future as more and more lost films are rediscovered in Hollywood. Early next year John Wayne's two lost films *Island in the Sky* and *The High and the Mighty* are being released on DVD. Leonard Maltin has called these two films *The Holy Grails of Hollywood* to be seen again for the first time in over 40 years.

Lone Pine and the Movies Richard Bann, Don Kelsen, 2018-09-09 With this issue of *Lone Pine and the Movies* we are diverging from our normal policy of presenting a variety of articles on Western films and personalities or *Lone Pine* as a major location for filming these Westerns to devote the entire issue to one film Republic Pictures *The Oregon Trail*. Why this particular film a B Western not even a stand alone but number four in a series of eight pictures scheduled for release in Republic's 1935-1936 season of Saturday matinee double features.

John Wayne Speaks Mark Orwoll, 2025-09-23 With more than 1,100 impeccably sourced quotes from throughout John Wayne's 172 film career *John Wayne Speaks: The Ultimate John Wayne Quote Book* provides what has often been missing from other Duke Wayne reference books accuracy context and comprehensiveness. These quotations offer a deep dive into Wayne's films and acting persona the iconic American man of action whose sense of values and decency are a veneer covering a boiling pot of determination courage outrage and even violence. The quotes in *John Wayne Speaks* are at once inspirational humorous touching and revealing. Author and veteran journalist Mark Orwoll has created an overlay of categories into which each quote fits making the manuscript easy for readers to find the type of quote or even the exact quote footnoted to identify its film they may be searching for. But *John Wayne Speaks* is more than just a collection of the actor's movie lines. Orwoll has researched and written an in depth introduction to Wayne's film career to put the quotes in a broader context. Movie lovers will also
