Lot Lots Daughter:

Lot's Daughters Robert M. Polhemus, 2005 An incisive and provocative work on male female relationships explores the complex relationship of fathers and daughters and of older men and younger females in history life art and culture The Danish Medieval Laws Ditlev Tamm, Helle Vogt, 2016-01-13 The Danish medieval laws the laws of Scania Zealand and Jutland contains translations of the four most important medieval Danish laws written in the vernacular The main texts are those of the Law of Scania the two laws of Zealand Valdemar's and Erik's and the Law of Jutland all of which date from the early thirteenth century The Church Law of Scania and three short royal ordinances are also included These provincial laws were first written down in the first half of the thirteenth century and were in force until 1683 when they were replaced by a national law The laws preserved in over 100 separate manuscripts are the first extended texts in Danish and represent a first attempt to create a Danish legal language The book starts with a brief but thorough introduction to the history of Denmark in the thirteenth century covering the country the political setting and the legal context in which the laws were written There follows the translated text from each province preceded by a general introduction to each area and an introduction to the translation offering key contextual information and background on the process of translating the laws An Old Danish English glossary is also included along with an annotated glossary to support the reading of the translations This book will be essential reading for students and scholars of medieval Scandinavian legal history *The Hovey Book*, 1914 The Law of Wills in Pennsylvania Richard Jordan Williams, 1903 **The Essex Antiquarian** Sidney Perley, 1898 *Upper Canada Law Journal* James Patton, W. Children's Fractional Knowledge Leslie P. Steffe,John Olive,2009-12-02 Children s Fractional Knowledge elegantly tracks the construction of knowledge both by children learning new methods of reasoning and by the researchers studying their methods The book challenges the widely held belief that children s whole number knowledge is a distraction from their learning of fractions by positing that their fractional learning involves reorganizing not simply using or building upon their whole number knowledge This hypothesis is explained in detail using examples of actual grade schoolers approaching problems in fractions including the schemes they construct to relate parts to a whole to produce a fraction as a multiple of a unit part to transform a fraction into a commensurate fraction or to combine two fractions multiplicatively or additively These case studies provide a singular journey into children s mathematics experience which often varies greatly from that of adults Moreover the authors descriptive terms reflect children s quantitative operations as opposed to adult mathematical phrases rooted in concepts that do not reflect and which in the classroom may even suppress youngsters learning experiences Highlights of the coverage Toward a formulation of a mathematics of living instead of being Operations that produce numerical counting schemes Case studies children s part whole partitive iterative and other fraction schemes Using the generalized number sequence to produce fraction schemes Redefining school mathematics This fresh perspective is of immediate importance to researchers in mathematics education With the up close lens onto mathematical development found in Children s Fractional Knowledge readers can work toward creating more effective methods for improving young learners quantitative reasoning skills

A Place to Live in Peace Evelyn L. Wilson, 2024-05-28 A Place to Live in Peace Free People of Color in West Feliciana Parish Louisiana reveals a community where free people of color lived harmoniously with white people even as slavery persisted Author Evelyn L Wilson documents the presence land ownership business development and personal relationships of free people of color in this Louisiana parish In the last decade before the Civil War tensions over slavery in West Feliciana Parish Louisiana led to the separation of free people of color from their white counterparts But until the 1850s free people of color had lived and thrived there The free people of color who inhabited West Feliciana Parish were not a settled population with a common background or a long history of freedom Some entered the parish already free others purchased their freedom while others had been freed by slaveholders for differing reasons Regardless of how they arrived in the parish they found themselves in a community that valued the talents and skills they had to offer without regard to the color of their skin These individuals were integrated into their community lived among white neighbors provided needed services and owned successful businesses Using extensive archival research including court records government documents legal citations and periodicals Wilson interprets the lives experiences and contributions of free people of color in West Feliciana Parish The integral role that these free people of color played in the parish complicates common understandings of the antebellum South

Handbook of Narrative Psychotherapy for Children, Adults, and Families Jan Olthof, 2018-05-08 The Handbook Narrative Psychotherapy for Children Adults and Families combines philosophical scientific and theoretical insights in the field of narrative psychotherapy and links them to sources of inspiration such as poetry film literature and art under the common denominator narrative thinking Sections on theoretical issues alternate with a large number of case histories drawn from different therapeutic contexts The reader can browse at will through the many examples of therapeutic sessions in some cases including literal transcriptions in which narrativity in all its forms is the point of departure What language does the body speak What messages do seemingly random slips of the tongue convey How can a painting help a client to find words for his or her story The discussion of the logic of abduction demonstrates the importance of metaphor and special attention is given to the processes of creating a therapeutic context and defining a therapeutic framework
