Low Cost But Acceptable:

Social Divisions Payne, Geoff, Harrison, Eric, 2020-04-22 Revised restructured and updated to reflect the latest data and debates this new edition of the widely used classic textbook offers students an accessible account of the major social divisions that structure social life Written by internationally known sociologists and experts the book addresses a wide range of social divisions and inequalities in novel ways with added chapters on education and age provides a framework for understanding contemporary social inequalities and diversities and how they interrelate lends itself to teaching in a range of contexts with the potential to dip into particular chapters for different modules or to use the book in a more extensive way for one particular module features signposting through the material as well as key points discussion questions and selected further readings for each chapter This clearly written volume presents a structured and critical guide to a core field that cuts across disciplines It is an invaluable introduction and source book for students taking social inequalities and diversity modules in sociology social policy social work education and health studies

Families and the State Commission on Families and the Wellbeing of Children (Great Britain), NCH (Great Britain), 2005-10-31 This report from The Commission on Families and the Wellbeing of Children addresses critical issues of child poverty and inequality in the context of the relationship between the state and families It considers ways in which the state should support families and the difficult balance to be struck between its caring and control functions *Accelerating the development of priority formulations in childhood cancer* World Health Organization, 2025-10-02 This document summarizes the proceedings and outcomes of a technical consultation designed to develop target product profiles for six priority childhood cancer medicines cyclophosphamide etoposide mercaptopurine 6MP methotrexate procarbazine and temozolomide The meeting was held from 9 to 13 December 2024 and was followed up with an additional consultation with the experts of the Target Product Profile Development Group on 19 June 2025

Poverty and Ethnicity in the UK Platt, Lucinda, 2007-04-30 Reviews the literature on income poverty deprivation and social exclusion among the largest ethno religious groups during the years 2001 2005 Considers employment outcomes family structure and kinship and eligibility and take up of social security benefits **Ethics and Social Security Reform** Erik Schokkaert, 2017-07-12 This title was first published in 2001 Ethical considerations play a key role in both the theoretical and practical functioning of the welfare state The contributors to this book examine these ethical issues and demonstrate how value judgements must be integrated into any analysis of social security reform

Conference Papers: Nutrition, Poverty and Health (10 November 2004) , **Social Justice and Neoliberalism** Professor Adrian Smith, Professor Alison Stenning, Katie Willis, 2013-07-04 The continuing expansion of neoliberalism into ever more spaces and spheres of life has profound implications for social justice Despite the number of policies designed to target social exclusion people in many communities continue to be marginalized by economic restructuring Social Justice and Neoliberalism explores the connections between neoliberalism social justice and exclusion The authors raise critical

questions about the extent to which neoliberal programmes are able to deliver social justice in different locations around the world The book offers grounded theoretically oriented empirically rich analysis that critiques neoliberalism while understanding its material impacts It also stresses the need to extend analyses beyond the dominant spheres of capitalism to look at the ways in which communities resist and remake the economic and social order through contestation and protest but also in their everyday lives Global in scope this book brings together writers who examine these themes in the global South the former communist East and the West using the experience of marginal peoples places and communities to challenge our conceptions of capitalism and its geographies

Delivering Benefits in Old Age Paul Dornan, 2017-11-28 Although means testing for Social Security transfers is economical it hasn't proven to be very effective The Minimum Income Guarantee MIG and the Pension Credit initiatives implemented by the Labour Government in the UK have both suffered from low levels of take up amongst entitled pensioners This book sheds important new light on this pressing problem examining existing research on take up and highlighting gaps in understanding It explores the strengths and weaknesses of the theoretical base drawing on European theory and applying it to the UK Socio economic demographic and attitudinal trends are analyzed to elucidate the impact they have had and will have on the proportion entitled to MIG and its take up rate Current policy is also analyzed to explore the importance of take up for the Labour government and the prospects of improving it As high take up would be an important step in combating poverty this book offers solutions and options to tackle these problems It is therefore of critical interest to academics and policy makers in the UK and around the world

Experiencing Poverty Jonathan Bradshaw, Roy Sainsbury, 2018-02-05 This title was first published in 2000 Marking the centenary of Seebohm Rowntree's first study of poverty in York this volume examines the modern impact of poverty on health nutrition crime gender and ethnicity

Blessed are the Poor? Green Laurie, 2015-07-02 Laurie Green considers a number of key biblical texts as well as recent research on poverty in the UK and asks what the Church's ministry among the poor would need to look like in order to be true to the gospel The book ends with practical outcomes for pavement level ministry

From Here to Sustainability Ian Christie, 2010-09-23 For a large proportion of the electorate national politics misses the real issues As a result membership of campaigning organizations has soared whilst party numbers have declined This work distils the principles and priorities of many of the leading voluntary groups into a strong and coherent programme of political aims and actions The problem can be measured as a sustainability gap between official policies and achievements and actual democratic participation environmental restoration and the eradication of poverty With examples and short case studies the book translates the gap into practical and realistic recommendations for progress

Revival: Ethics and Social Security Reform (2001) Erik Schokkaert, 2017-07-12 This title was first published in 2001 Ethical considerations play a key role in both the theoretical and practical functioning of the welfare state The contributors to this book examine these ethical issues and demonstrate how value judgements must be integrated into any analysis of social security reform

Minimum Income

Standards and Reference Budgets Christopher Deeming, 2020-05-28 Research into minimum income standards and reference budgets around the world is compared in this illuminating collection from leading academics in the field From countries with long established research traditions to places where it is relatively new contributors set out the different aims and objectives of investigations into the minimum needs and requirements of populations and the historical contexts theoretical frameworks and methodological issues that lie behind each approach For policymakers practitioners and social policy and poverty academics this essential review of learnings to date and future prospects for research is all the more relevant in light of the COVID 19 pandemic testing health and social protection systems around the globe *The Financial Cost of Healthy Eating in Ireland* Sharon Friel, Orla Walsh, Denise McCarthy, 2004 **Action on Poverty Today Issue 06 (Autumn 2004)** , Exploring an Income Adequacy Standard for Children Carmel Corrigan, 2004 *An Investigation of the Measurement of Poverty in Ireland* Colin Menton, 2007 Understanding Inequality, Poverty and Wealth Ridge, Tess, Wright, Sharon, Sharon Elizabeth Wright, 2008-06-30 At a time when the divide between the wealthy and the disadvantaged is widening this major textbook provides students with a critical understanding of poverty and social exclusion in relation to wealth rather than as separate from it Raising fundamental questions about the organisation of society social structures and relationships and social justice the book is split into four main sections exploring key concepts and issues people and place poverty and wealth across different groups and situations the role of the state and prospects for the future This is the only textbook to focus on the links between wealth and poverty and contains an edited collection of chapters specially written by a distinguished panel of contributors including Pete Alcock Daniel Dorling Mary Shaw Gill Scott and Jay Ginn It is designed with the needs of students in mind and includes useful chapter summaries illustrative boxes and diagrams and pointers to relevant websites and other sources of further information This is an essential textbook for level 1 2 undergraduate students studying social policy either as a main subject or as part of their course It is a core text for level 3 4 specialist modules in this field *Exploring Concepts of Child Well-being* Nick Axford, 2008-03-11 This book provides an understanding of what child welfare is explores how it can be measured and sets out the implications for children s services in incorporating child well being into their work Handbook of Research on Retailing Katrijn Gielens, Els Gijbrenchts, 2018-08-31 The advent of e commerce and the rise of hard discounters have put severe pressure on traditional retail chains Boundaries are blurring traditional brick mortar players are expanding their online operations and or setting up their own discount banners while the power houses of online retail are going physical and hard discounters get caught up in the Wheel of Retailing Even successful companies cannot sit back and rest but need to prepare for the next wave of change In the face of this complexity it is all the more important to take stock of current knowledge based on insights and experience from leading scholars in the field What do we know from extant studies and what are the ensuing best practices What evolutions are ahead and will current recipes still work in the future This Handbook sheds light on these issues
