PINK,Rev Terry Kulakowski, Editor,2015-11-29 In several noticeable respects Hebrews differs from all the other Epistles of the New Testament The name of the writer is omitted there is no opening salutation the ones to whom it was first specifically and locally sent are not mentioned On the positive side we may note that the typical teachings of the Old Testament are expounded here at greater length than elsewhere the priesthood of Christ is opened up fully only in this Epistle the warnings against apostasy are more frequent and more solemn and the calls to steadfastness and perseverance are more emphatic and numerous than in any other New Testament book All of these things are accounted for by the fleshly nationality of those addressed and the circumstances they were then in Unless we keep these features steadily in mind not a little in this Epistle will necessarily remain obscure and dark The Epistles of Erasmus, from His Earliest Letters to His Fifty-first Year, Arranged in Order of Time Desiderius Erasmus,Francis Morgan Nichols,1904 **Cosmology and Eschatology in Hebrews** Kenneth L. Schenck,2007-12-20 Scholars argue over where Hebrews fit in the first century world Kenneth L Schenck works towards resolving this question by approaching Hebrews cosmology and eschatology from a text orientated perspective After observing that the key passages in the background debate mostly relate to the settings of the story of salvation history evoked by Hebrews Schenck attempts to delineate those settings by asking how the rhetorical world of Hebrews engages that underlying narrative Hebrews largely argue from an eschatology of two ages which correspond to two covenants The fresh age has come despite the continuance of some old age elements The most characteristic elements of Hebrews settings however are its spatial settings where we find an underlying metaphysical dualism between the highest heaven which is the domain of spirit and the

created realm including the created heavens This creation will be removed at the eschaton leaving only the unshakeable heaven *Hebrews MacArthur New Testament Commentary* John MacArthur,1983-09-08 The theme of Hebrews is simple Jesus Christ is superior to and preeminent over everyone and everything His absolute supremacy overshadows all else and demands the worship and allegiance of every individual With eternity at stake how one responds to Jesus Christ is the most important decision a person can every make Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical *Jonathan Edwards and the Psalms* David P. Barshinger,2014 The field of Jonathan Edwards studies is only beginning to wrestle with his vast corpus of writings on the Bible and David Barshinger addresses this gap by providing a close study of his engagement with the book of Psalms Barshinger explores materials that have received little attention to date including Edwards s notebooks on the Bible and dozens of handwritten sermon manuscripts Barshinger shows that Edwards approached the Psalms not merely from a typological or Christological viewpoint but that the history of redemption provided the theological framework within which he interpreted preached and sang the Psalms At a time of increasing attacks on the Bible Edwards appropriated the book of Psalms as a divinely inspired anchor to proclaim the gospel In his reading of the Psalms Edwards treated various theological themes including God Christ the Holy Spirit revelation humanity sin the gospel Christian piety the church corporate and the eternal dwellings of all people connecting all of these themes through the redemptive historical framework that guided his vision of the Bible **Mormon Classics** William Alexander Linn,John Taylor,Joseph Fielding Smith,Wilford Woodruff,James E. Today When You Hear His Voice Gregory W. Lee ,2016 Presents a doctrine of Scripture based on Hebrews in dialogue with Augustine and Calvin What vision of biblical authority arises from Scripture s own use of Scripture This question has received surprisingly little attention from theologians seeking to develop a comprehensive doctrine of Scripture Today When You Hear His Voice by Gregory W Lee fills this gap by listening carefully to the Epistle to the Hebrews Lee illuminates the unique way that Hebrews appropriates Old Testament texts as he considers the theological relationship between salvation history and scriptural interpretation He

illustrates these dynamics through extended treatments of Augustine and Calvin whose contrasting perspectives on the covenants Israel and the literal and figural senses provide theological categories for appreciating how Hebrews innovatively presents Scripture as God's direct address in the contemporary moment The Invisible War Donald Grey
Barnhouse, 1980-10-14 An exploration of the great conflict going on between good and evil within the spiritual realm
