Morality And Purpose:

Morality and Purpose John Leofric STOCKS,1969 *Morality and Purpose* John Leofric Stocks,1969 Morality & Purpose Vol 9 J. L. Stocks,H.O. Mounce,2014-06-17 First published in 2003 This is final Volume IX of a series of Studies in Ethics and the Philosophy of Religion written in 1969 this book is concerned with morality and purpose and provides an opportunity for philosophical discussions of a limited length which pursue in some detail specific topics in ethics or the philosophy of religion or topics which belong to both fields The author J L Stocks was interested in the difference moral considerations make to human action **Atheism, Morality, and Meaning** Michael Martin,2009-12-02 Despite the pluralism of contemporary American culture the Judaeo Christian legacy still has a great deal of influence on the popular imagination Thus it is not surprising that in this context atheism has a slightly scandalous ring and unbelief is often associated with lack of morality and a meaningless existence Distinguished philosopher and committed atheist Michael Martin sets out to refute this notion in this thorough defense of atheism as a both moral and meaningful philosophy of life Martin shows not only that objective morality and a meaningful life are possible without belief in God but that the predominantly Christian world view of American society is seriously flawed as the basis of morality and meaning Divided into four parts this cogent and tightly argued treatise begins with well known criticisms of nonreligious ethics and then develops an atheistic meta ethics In Part 2 Martin criticizes the Christian foundation of ethics specifically the Divine Command Theory and the idea of imitating the life of Jesus as the basis of Christian morality Part 3 demonstrates that life can be meaningful in the absence of religious belief Part 4 criticizes the theistic point of view in general terms as well as the specific Christian doctrines of the Atonement Salvation and the Resurrection This highly informed and sophisticated defense of atheism is a stimulating challenge to religious believers and a serious contribution to ethical theory *Wittgenstein and Moral Philosophy (Routledge Revivals)* Paul Johnston,2014-04-08 Wittgenstein s philosophical achievement lies in the development of a new philosophical method rather than in the elaboration of a particular philosophical system Dr Paul Johnston applies this innovative method to the central problems of moral philosophy whether there can be truth in ethics or what the meaning of objectivity might mean in the context of moral deliberation Wittgenstein and Moral Philosophy first published in 1989 represents the first serious and rigorous attempt to apply Wittgenstein s method to ethics The conclusions arrived at differ radically from those dominating contemporary ethical discussion revealing an immense discrepancy between the ethical concepts employed in everyday moral decision making and the way in which these are discussed by philosophers Dr Johnston examines ways of eliminating this discrepancy in order to gain a clearer picture of the proper nature of moral claims and at the same time provides new insights into Wittgenstein s conception of philosophy **The Elements of Morality Including Polity** William Whewell,1854 The Morality of the Laws of War Marcela Prieto Rudolphy,2023 The Morality of the Laws of War examines the modern landscape of the ethics of war Rudolphy assesses the conflicting theories on the legality of just and

unjust combatants While doing this she proposes an alternative morality of war proceeding from the inescapable fact that regulating war is always a significant moral compromise **Manifesto of a 21st Century Anarchist** Nickk

DropKick,2013-03-19 Manifesto of a 21st Century Anarchist is the written account of a young adult exposed to the radical rhetoric of Anarchism Nihilism and Egoism within the 21st century The book itself is political theory which attempts to explain the rational behind Anarchism exemplify the ideology and begin to explain an Anarchists view of world order justice and freedom and to ultimately reveal some tenants of Anarchism which anyone of any ideological background can rationally begin to understand Taking a staunch anti capitalist anti authoritarian and anti populist viewpoint Manifesto of a 21st Century Anarchist attempts to differentiate Anarchism from traditional politics instead exploring a realm of idealism free from all hierarchy state and arbitration **The Elements of morality, including polity. v. 1** William Whewell,1859
