More Divine Proof Prophecy Inspiration In Celsus Origen:

The More Divine Proof Robert John Hauck,1989 *Origen and Prophecy* Claire Hall,2021 Origen is frequently hailed as the most important Christian writer of his period This book examines whether there was a system to Origen s thinking about prophecy *Origen on the Song of Songs as the Spirit of Scripture* J. Christopher King,2005-10-06 Christian interpretations of the Song of Songs have long depended upon the allegorical reading developed by Origen of Alexandria c 185 c 254 This study aims to show that Origen s Commentary and two Homilies on the Song of Songs clearly portray the Song of Songs as the biblical book that as the Bridegroom s perfect marriage song reveals the spirit of Scripture with greater intensity and immediacy than any other **The Interpretation of the Old Testament in Greco-Roman Paganism** John Granger Cook,2004 According to the available evidence not many pagans knew the Greek Bible Septuagint before the advent of Christianity Those pagans who later became aware of Christian texts were among the first according to the surviving data to seriously explore the Septuagint They found the Bible to be difficult reading The pagans who reacted to biblical texts include Celsus II C E Porphyry III C E and Julian the Apostate IV C E These authors thought that if they could refute one of the primary foundations of Christianity namely its use or interpretation of the Septuagint then the new religion would perhaps crumble John Granger Cook analyzes these pagans voice and elaborates on its importance since it shows how Septuagint texts appeared in the eyes of Greco Roman intellectuals Theirs was not an abstract interest however because they knew that Christianity posed a grave danger to some of their dearest beliefs self understanding and way of life *Origenes: Contra Celsum Libri VIII* M. Marcovich,2015-12-22 The giant treatise Contra Celsum is Origen s main and longest work It is of significance for both Greek Patristics and Ancient Philosophy However the extant text of the treatise is lacunose and corrupt Two outstanding editions by Paul Koetschau 1899 and Marcel Borret 1967 1969 are not critical enough The editor tried to restore Origen s original text and presents the reader with a reasonably reliable text *The Enduring Authority of the Christian Scriptures* D. A. Carson,2016-02-29 Valuable insights into key disputed topics from a veritable who s who of evangelical scholars In this volume thirty seven first rate evangelical scholars present a thorough study of biblical authority and a full range of issues connected to it Recognizing that Scripture and its authority are now being both challenged and defended with renewed vigor editor D A Carson assigned the topics that these select scholars address in the book After an introduction by Carson to the many facets of the current discussion the contributors present robust essays on relevant historical biblical theological philosophical epistemological and comparative religions topics To conclude Carson answers a number of frequently asked questions about the nature of Scripture cross referencing these FAQs to the preceding chapters This comprehensive volume by a team of recognized experts will be the go to reference on the nature and authority of the Bible for years to come CONTRIBUTORS James Beilby Kirsten Birkett Henri A G Blocher Craig L Blomberg D A Carson Graham A Cole Stephen G Dempster Daniel M Doriani Simon Gathercole David Gibson Ida Glaser Paul Helm Charles E Hill

Subversive Virtue James A. Francis, 1995 Much attention has been devoted in recent years to Christian asceticism in Late Antiquity But Christianity did not introduce asceticism to the ancient world An underlying theme of this fascinating study of pagan asceticism is that much of the work on Christian holy men has ignored earlier manifestations of asceticism in Antiquity and the way Roman society confronted it Accordingly James Francis turns to the second century the balmy late afternoon of Rome s classical empire when the conflict between asceticism and authority reached a turning point Francis begins with the emperor Marcus Aurelius 121 180 who warned in his *Meditations* against displaying oneself as a man keen to impress others with a reputation for asceticism or beneficence The Stoic Aurelius saw ascetic self discipline as a virtue but one to be exercised in moderation Like other Roman aristocrats of his day he perceived practitioners of ostentatious physical asceticism as a threat to prevailing norms and the established order Prophecy sorcery miracle working charismatic leadership expressions of social discontent and advocacy of alternative values regarding wealth property marriage and sexuality were the issues provoking the controversy If Aurelius defined the acceptable limits of ascetical practice then the poet Lucian depicted the threat ascetics were perceived to pose to the social status quo through his biting satire In an eye opening analysis of Philostratus s *Life of Apollonius of Tyana* Francis shows how Roman society reined in its deviant ascetics by rehabilitating them into pillars of traditional values Celsus s *True Doctrine* shows how the views pagans held of their own ascetics influenced their negative view of Christianity Finally Francis points out striking parallels between the conflict over pagan asceticism and its Christian counterpart By treating pagan asceticism seriously in its own right Francis establishes the context necessary for understanding the great flowering of asceticism in Late Antiquity

Prophets and Prophecy in the Late Antique Near East Jae Hee Han, 2023-11-09 In this volume Jae Han investigates how various Late Antique Near Eastern communities Jews Christians Manichaeans and philosophers discussed prophets and revelation among themselves and against each other Bringing an interdisciplinary historical approach to the topic he interrogates how these communities used discourses of prophethood and revelation to negotiate their place in the world Han tracks the shifting contours of prophecy and contextualizes the emergence of orality as the privileged medium among rabbis Manichaeans and Jewish Christian communities He also explores the contemporary interest in divinatory knowledge among

Neoplatonists Offering a critical re reading of key Manichaeian texts Han shows how Manichaeians used concepts of prophethood and revelation within specific rhetorical agendas to address urgent issues facing their communities His book highlights the contingent production of discourse and shows how contemporary theories of rhetoric and textuality can be applied to the study of ancient texts

Building on the Ruins of the Temple Adam Gregerman, 2016-06-28 In the immediate centuries after the Romans destruction of Jerusalem and its Temple in 70 CE Jews and Christians offered contrasting religious explanations for the razing of the locus of God s presence on earth Adam Gregerman analyzes the views found in three early Christian texts Justin s Dialogue with Trypho Origen s Contra Celsum and Eusebius Proof of the Gospel and one rabbinic text the Midrash on Lamentations all of which emerged in the same place the land of Israel and around the same time the first few centuries after 70 The author explores the ways they interpret the destruction in order to prove in the case of Christians or make it impossible to disprove in the case of the Jews that their community is the people of God He demonstrates the apologetic and polemical functions of selected explanations for claims to the covenant made by one community excluded those made by the other

The Reformation of Prophecy G. Sujin Pak, 2018-05-31 Protestant reformers found the prophet and biblical prophecy to be exceptionally effective for framing their reforming work under the authority of Scripture for the true prophet speaks the Word of God alone and calls the people their worship and their beliefs and practices back to the Word of God uses the prophet and biblical prophecy as a powerful lens through which to view many aspects of the reformers in the sixteenth and seventeenth centuries G Sujin Pak argues that these prophetic concepts served the substantial purposes of articulating a theology of the priesthood of all believers a biblical model of the pastoral office a biblical vision of the reform of worship and biblical processes for discerning right interpretation of Scripture Pak demonstrates the ways in which understandings of the prophet and biblical prophecy contributed to the formation of distinct confessional identities She goes on to demonstrate the waning of explicit prophetic terminology particularly among the next

generation of Protestant leadership Eventually she shows the Protestant reformers concluded that the figure of the prophet carried with it as many problems as it did benefits though they continued to give much time and attention to the exegesis of biblical prophetic writings

Ancient Religiosities in Dialogue: Greek, Roman, Jewish, and Christian Teresa Morgan, 2025-08-25

Celsus in his World James Carleton Paget, Simon Gathercole, 2021-11-25 Celsus penned the earliest known detailed attack upon Christianity While his identity is disputed and his anti Christian treatise entitled the True Word has been exclusively transmitted through the hands of the great Christian scholar Origen he remains an intriguing figure In this interdisciplinary volume which brings together ancient philosophers specialists in Greek literature and historians of early Christianity and of ancient Judaism Celsus is situated within the cultural philosophical religious and political world from which he emerged While his work is ostensibly an attack upon Christianity it is also the defence of a world in which Celsus passionately believed It is the unique contribution of this volume to give voice to the many dimensions of that world in a way that will engage a variety of scholars interested in late antiquity and the histories of Christianity Judaism and Greek thought

The Early Christian World Philip Francis Esler, 2004 The Early Christian World presents an exhaustive erudite and illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world

Fear, Anomaly, and Uncertainty in the Gospel of Mark Douglas W. Geyer, 2002 Douglas Geyer's illuminating analysis of Mark 4:35-6:56 explains why the Gospel ends as it does in the earliest manuscripts abruptly at 16:8 with the words for they were afraid This ending with women fleeing the empty tomb in trembling and astonishment has long been considered problematic and in the several attempts to rewrite it Mark 16 has become a source of unending mischief Geyer's work draws on a vast literature of fear anomaly terror and dread in the ancient world to demonstrate that this ending is a consistent overriding theme of Mark's Gospel In Mark we see and hear the story of Jesus through the eyes and ears of the Roman world Geyer brings to bear the literature of that world in a way that helps his readers to understand what Mark is doing and how

the story that Mark tells continues to touch his readers and hearers ancient and modern and postmodern Geyer guides the reader through a vast and uncharted primary literature demonstrating its relevance for New Testament study In so doing he clearly proposes a fresh and original understanding of Mark that cuts across many of the critical controversies and renews its purpose and usefulness as good news Gospel for the terrors and uncertainties of our own time **Contra Celsum**
