A Slayer Waits Rod Sadler,2017-06-24 A Slayer Waits In September 1955 Nealy Buchanan a trustee at the State Prison of Southern Michigan was denied parole Because of his trustee status he was assigned to pick up local trash from area farms in a prison truck which provided the perfect opportunity to escape Running out of gas near the small town of Stockbridge Michigan and continuing on foot he hid out inside the barn of Howard and Myra Herrick an elderly farm

couple Buchanan was planning to steal their car to further his escape Surprised when Howard Herrick returned early he killed the elderly man by crushing his skull with a hand grinder Hearing the commotion in the barn Myra Herrick came in and was viciously bludgeoned her to death next to her husband Their killer quickly hid their bodies under bales of hay Unable to hot wire their car Buchanan hitchhiked to the small town of Mason caught a cab to Lansing and bought a Greyhound bus ticket and fled to New York using Howard Herrick s identity Thinking Buchanan was still in the area fearful residents armed themselves and looked upon strangers with suspicion Ingham County Sheriff Willard Barnes led the hunt for the killer searching for months but the investigation came to a dead end Harry Doesburg a neighbor to the Herrick s raised a 3000 reward and he contributed much of his own money to find the killer Doesburg sent wanted posters across the country and paid for wanted ads in various newspapers and magazines Thirteen months after the murders an informant in Baltimore Maryland recognized Buchanan from a wanted ad in a magazine and turned him in Buchanan was quickly returned to Michigan signed a confession pled guilty and was sentenced to life in prison all within a 72 hour time period Ten years after his sentence Nealy began appealing his conviction on numerous grounds including police misconduct racial threats and improper court proceedings For twenty five years Nealy had never been represented *The Jury Crisis* Drury R.

Sherrod, 2019-02-08 Juries have a bad reputation Often jurors are seen as incompetent biased and unpredictable and jury trials are seen as a waste of time and money In fact so few criminal and civil cases reach a jury today that trial by jury is on the verge of extinction Juries are being replaced by mediators arbitrators and private judges The wise trial of Twelve Angry Men has become a fiction As a result a foundation of American democracy is about to vanish The Jury Crisis What s Wrong with Jury Trials and How We Can Save Them addresses the near collapse of the jury trial in America its causes consequences and cures Drury Sherrod brings his unique perspective as a social psychologist who became a jury consultant to the reader applying psychological research to real world trials and explaining why juries have become dysfunctional While this collapse of the jury can be traced to multiple causes including poor public education the absence of peers and community standards in a class stratified racially divided society and people s reluctance to serve on a jury the focus of this book is on the conduct of trials themselves from jury selection to evidence presentation to jury deliberations Judges and lawyers believe wrongly that jurors can put aside their biases sit quietly through hours days or weeks of conflicting testimony and not make up their minds until they have heard all the evidence Unfortunately the human brain doesn t work that way A great deal of psychological research on jurors and other decision makers shows that our brains intuitively leap to story telling before we rationally analyze facts or evidence Weaving details into a narrative is how we make sense of the world and it s very hard to suppress this tendency Consequently a majority of jurors actually make up their minds before they have heard much of the evidence Judges arbitrators and mediators have similar biases The Jury Crisis deals with an important social problem namely the near collapse of a thousand year old institution and proposes how to fix the jury system and restore trial by jury to a more
