The Ohio Valley Jazz Festival Scott M. Santangelo, 2017-07-10 Cincinnati Ohio might have seemed like an unlikely choice to host the nation's largest annual R & B concert but thanks to local promoter Dino Santangelo the Ohio Valley Jazz Festival would become the Granddaddy of Them All. The first festival was held in 1962 at the Carthage Fairgrounds but the event would continue to grow moving to Crosley Field in 1964 and then Riverfront Stadium in 1971 to become the nation's biggest two-day stadium concert. The Ohio Valley Jazz Festival would eventually feature the most popular R & B artists of the day and draw audiences from as far as 500 miles away. The festival pioneered stadium concert production generated millions for the regional economy and eased the Greater Cincinnati community's difficult cultural transition throughout the turbulent 1960s and 1970s. Music Trades, 1919 **North American Fiddle Music** Drew Beisswenger, 2011-05-31 North

American Fiddle Music A Research and Information Guide is the first large-scale annotated bibliography and research guide on the fiddle traditions of the United States and Canada. These countries both of which have large immigrant populations as well as Native populations have maintained fiddle traditions that while sometimes faithful to old world or Native styles often feature blended elements from various traditions. Therefore researchers of the fiddle traditions in these two countries can not only explore elements of fiddling practices drawn from various regions of the world but also look at how different fiddle traditions can interact and change. In addition to including short essays and listings of resources about the full range of fiddle traditions in those two countries it also discusses selected resources about fiddle traditions in other countries that have influenced the traditions in the United States and Canada. *Titles of Papers from 1857-1906* National Education
