Brown,2009-01-20 From the Preface My name is Flora Jessop I ve been called apostate vigilante and crazy bitch and maybe I am But some people call me a hero and I d like to think they re right too If I am a hero maybe it s because every time I can play a part in saving a child or a woman from a life of servitude and degradation I m saving a little piece of me too I was one of twenty eight children born to my dad and his three wives Indoctrinated to believe that the outside world was evil and that I resided among the righteous I was destined to marry a man chosen for me by the Prophet I would then live in harmony with my sister wives bear many children and obey and serve my future husband in this life and throughout eternity But my innocence didn t last long While still a child I understood that the church of the righteous was nothing but a church of lies When I was eight years old my father sexually molested me for the first time raping me when I was twelve I tried to kill myself Beaten molested taunted and abused by family members alleging they only wanted to save my soul became a daily routine I ran from this abuse more than once in my early teens even attempting to cross the desert on foot My family hunted me down I thought government agencies would provide me safety if I reported my father Instead police and social services colluded with the FLDS to return me to my family and I ended up back inside polygamy right where I started Flora goes on from there to tell the dramatic true story of how she ultimately escaped and has been fighting against frustrating obstacles with hard fought successes in rescuing women and children from the FLDS It s a story you can t put down *Escape in Iraq* Thomas Hamill,Paul T. and Walt Disney Using Roosevelt as a starting point filmmaker and scholar Ronald Tobias traces the evolution of American attitudes toward nature attitudes that remain to this day remarkably conflicted complex and instilled with dreams of empire

Revelation Abridged Paul Brown,2021-06-17 This abridged commentary takes a highlighter to the whole book of Revelation like preparing for a school examination These highlighted words provide practical means for understanding the main points of God s words in improving daily life From complexity comes simplicity and elegance of the seven visions of Revelation Discover that the vision of Moses Tabernacle parallels the Lord s Prayer the vision of the Holy City parallels the Seven Days of Creation the vision of the Four Horsemen of the Apocalypse matches the vision of the Four Hallelujahs the vision of the Trumpets of Justice matches the vision of the Bowls of Mercy then climatically the middle Arch Keystone vision four marks all of God s creation as innocent perfection Supporting interfaith quotes come from the Jewish Tanakh the Islamic Quran and the Christian New Testament So instead of trying to understand geo political battlefields and theological labyrinths just sit back and contemplate a few clarified phrases from each of the seven major visions See also how the shepherd s Psalm 23 aligns as an uncomplicated summary of these seven visions From this new nondenominational viewpoint the book of Revelation becomes practical an archway to bring more peace to daily experience **The Guardian Index**
