Pennsylvania German Marriages Donna R. Irish, 2009-06 *Pennsylvania German Marriages. Marriages and Marriage Evidence in Pennsylvania German Churches*, 2014-10-28 Now printed in two volumes this is the most important collection of Pennsylvania German source materials to appear since the publication of Strassburger and Hinke's *Pennsylvania German Pioneers* over fifty years ago. Primarily a compilation of Reformed Church marriage records including some records from Lutheran and Union churches it provides documentation on some 50 000 persons of German origin or descent. Based on records in the collection formed by Dr William J Hinke records of approximately 100 churches in eastern Pennsylvania the compiler has developed herein not merely a list of marriages but a genealogical record of the Pennsylvania Germans.

Irish, 2009-06 *Pennsylvania German Church Records of Births, Baptisms, Marriages, Burials, Etc* Pennsylvania-German Society, 2015-10-20 This is the first volume of Pennsylvania German Church Records a three volume series which gives the genealogist access to all of the church records ever published in the Proceedings and Addresses of the Pennsylvania German Society. In each of the three volumes are births baptisms marriages and burials the records that identify people and their relationships to one another not only parents and children husbands and wives but witnesses and sponsors as well. A staggering 125 000 persons are mentioned in these records and every one of them is cited in the new indexes which have been painstakingly compiled especially for this publication. The records themselves answer the usual who where and when questions but because of their magnitude because of the vast number of people who figure in these records they must now be accounted in the aggregate as the very basis of Pennsylvania German genealogy.
