The Pentecostal Pastor Thomas E. Trask,Wayde I. Goodall,Zenas J. Bicket,1997 GPH Publication **The Pentecostal Pastor** ,2012-03-12 *Spirit-Filled Preaching in the 21st Century* Mark L. Williams, Lee Roy Martin,2013-06-21 **Global Pentecostalism in the 21st Century** Robert W. Hefner,2013-10-02 This state of the field overview of Pentecostalism around the world focuses on cultural developments among second and third generation adherents in regions with large Pentecostal communities considering the impact of these developments on political participation citizenship gender relations and economic morality Leading scholars from anthropology sociology religious studies and history present useful introductions to global issues and country specific studies drawn from Latin America Africa Asia and the former USSR

The Influence of Music on the Development of the Church of God (Cleveland, Tennessee) Benson Vaughan,2018-03-23 This book examines the influence of music on the development of the Church of God Cleveland Tennessee This narrative is historically driven but relies upon an interdisciplinary approach to draw on the insights of ecclesiology theology liturgiology church development and especially music This study utilizes a chronological and systematic approach to the relationship between music and the Church of God in the United States during the first 125 years of the denomination s history from 1886 to 2011 For over a century music has been an often neglected dialogue partner at the table of academic discussion and this research argues for recognition and a proper place in Pentecostal history Along with primary and secondary sources the important element of living archives is investigated in this work these are interviews with people who participated in historical music events in the Church of God The book also relies upon musical examples to explore the influence of music upon the shaping of the denomination s history and theology **Issues in Contemporary**

Pentecostalism R. Keith Whitt, and French L. Arrington, Editors,2012-09-19 **A Shepherd's Journey** Steve Crawford,2012-11-16 Experience a journey filled with timeless principles and practical applications Along the way you will discover spiritual growth fairness attitude leadership and missional purpose Take your journey to the limit leaving the rest area in your rearview mirror and move on In all your ways acknowledge him and he will make your paths straight Prov 3 6

A Theological Examination of Symbolism in Ezekiel with Emphasis on the Shepherd Metaphor Joel K. T. Biwul,2013-12-14 This book addresses one of the ever aching problems of human society failed leadership in secular and sacred domains It points out from Ezekiel s use of symbolism and shepherd motif what society stands to suffer and or lose under a bad human leadership structure and bad governance This plays out in the book s x ray of the characteristics of sheep needing a shepherd Dr Biwul contends that Ezekiel used symbolic sign acts to indict both Israel s bad and imperfect human shepherds as well as the Babylonian exiles as being responsible for their plight for not upholding the norms of Deuteronomic theology Particularly he argues forcefully from Ezekiel s shepherd motif that a major factor responsible for the exile of Israel as a covenant community is the massive failure of its bad and imperfect human shepherds who did not possess the requisite

shepherding qualities inherent in Yahweh as chief shepherd of Israel Biwul therefore draws particular attention to the reality of Ezekiel's use of the recognition formula when Yahweh acts at last to restore his people This is rooted in the theological eschatological motif which would come to its full reality in the anticipated eschatological community when Yahweh would shepherd his people *Pentecostal and Charismatic Education* William K. Kay, Ewen H. Butler, 2023-08-29 The enormous Pentecostal and charismatic movement often called Renewalist has highlighted the power of the Holy Spirit but has rarely emphasized the movement's educational range and reach Formal and informal teaching in many schools colleges seminaries church campuses homes and parachurches all contribute to a scattered and varied teaching impetus Pentecostal and Charismatic Education Renewalist Education Wherever it is Found looks at education through the eyes of those who see God at work in the world through the church and beyond The book explores questions like What should parents look for in a child's education and what choices do they have What educational role can churches have This book offers a worldview invested with traditional Christian theology but also enlivened by an understanding of the continuing outpouring of the Holy Spirit

Good Pastors, Bad Pastors Dela Quampah, 2014-08-20 The emergence of Pentecostalism in Ghana has attracted a massive following and generated institutions that have significantly impacted Christian discourse and national life The movement has produced prominent leaders who have developed exemplary Christian education programs and generated volumes of Christian literature unprecedented in Ghanaian Christianity Nevertheless public opinion often upbraids church leaders for unethical conduct Despite the concern for high moral standards set by Pentecostal church polity and ministerial ethical codes reports of Pentecostal ministerial misconduct appear regularly in the media Although congregation members and perceptive public observers appreciate the constructive moral impact of Pentecostal ministers instances of promiscuity power abuse financial misappropriation and superstition reveal a gap between ethical ideals and practice As this research reveals factors behind unethical ministerial conduct include inadequate training poor accountability and a general low level of ethical reflection Good Pastors Bad Pastors suggests that a multidimensional approach of responsible reportage emphatic moral education appropriate but sympathetic response to moral failure and peer review accountability could help uphold a higher standard of ministerial ethics

God the Holy Spirit: The Mystery of Christianity , Restore Such a One Lance M. Bacon, 2024-08-01 Widespread deficiencies in spiritual formation see an increasing number of ministers buckle under the significant burdens common to the task There are seasons when a powerful triad of the flesh the world and the devil converge Eph 2 2 3 cf Jas 3 15 and 1 John 2 16 Misdirected attempts to fulfill emptiness find worth or heal longstanding wounds ensue Widespread instances of sexual immorality result Sound exegesis and analysis of theological doctrine presents an allowance in certain cases for ministerial restoration However this necessitates an intimate and intricate approach that differs significantly from the varied solutions churches and denominations offer Few restoration programs bring a biblical response to bear Remarkably rare are restoration programs that look to correct causal factors and commit to congregational

care This program orients itself on an understanding of brokenness and the need for holistic re formation The latter requires fallen ministers to progress beyond biblical confession and repentance to partner with the Holy Spirit and key authorities such as an overseer mentors Christian mental health professionals and a designated congregation The unitive goal is a sanctifying psychopathology that properly diagnoses spiritual and emotional health eradicates the adverse influences of emotional cultural and spiritual factors and redirects self oriented patterns of thought and behavior Experience the Presence of God Fred M. Jensen,2009-04 Whatever happened to the presence of God in the American church The church has settled for the status quo rather than the supernatural God s Church is dealing with considerable spiritual lethargy and superciliousness Man has been doing church his way long enough and now it is time that the Holy Spirit be the administrator and director of His church God has the perfect plan for His house The author presents an urgent and no compromise appeal for a return to the manifested presence of God The author also gives the diagnosis and prescriptive treatment for the spiritual decline of the church This book introduces Biblical principles and not man s strategies that will cause a full restoration to the presence and glory of God This book is for those that are hungry and thirsty for more of God s presence Fred Jensen was born in 1954 and was raised on Staten Island New York where he was converted to Christ at the young age of eight years old It was here that Fred experienced for the first time the presence of God while attending a prayer meeting with his father Fred is the third generation of Pentecostal ministry He has served as a pastor for 30 years in Massachusetts New Jersey Hawaii and Colorado Fred has a passion for the manifested presence of God and revival He now is devoted to writing speaking and completing a Ph D He and his wife Naomi have one daughter two sons and one grand daughter Fred and his wife now reside in mid west Colorado 0000000000000000 000,2021-07-05 2013 2020 2010 2011 2016 2020 2020

dynamics of intentional mission in a post Christian European setting and observing the various methodologies and approaches of Pentecostal church planting Competing for Caesar Chammah J. Kaunda, Marja Hinfelaar, 2020-11-03
