Helbig, Agnes Regan Perkins, 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults this valuable resource examines the fiction oral tradition and poetry from four major ethnic groups in the United States Each of these genres is considered in turn for the literature dealing with African Americans Asian Americans Hispanic Americans and Native American Indians Taking up where their earlier volume This Land is Our Land left off Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999 Both considered authorities in the field of children s literature the two of them personally selected read and evaluated all the books included here Their insightful annotations help readers carefully consider both literary standards such as plot development characterization and style as well as cultural values as they are represented in these cited works Each entry also indicates the suggested age and grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works by title writer illustrator grade level and subject Public libraries and school media centers will find much use for Many Peoples One Land      Venture Into Cultures Olga R. Kuharets, 2001-05 Contains a resource book of multicultural materials and includes program ideas Web sites and recommended children s books that provide students with information on the traditions stories pictures and music from around the world      Multicultural Literature and Response Lynn Atkinson Smolen, Ruth A. Oswald Ph.D., 2010-12-22 This compelling book emphasizes the critical role of quality multicultural literature and reader response in today s schools and libraries All students need access to books in which they can see themselves not just their physical appearance but their culture and language as well Multicultural Literature and Response Affirming Diverse Voices was written to help teachers and librarians find and use the best multicultural books in the service of reading comprehension and more Underscoring the necessity of selecting quality literature that authentically sensitively and accurately portrays different groups the book defines multicultural literature and provides a strong argument for its importance in schools and libraries Expert contributors guide users to multicultural authors and illustrators who portrays U S ethnic and cultural groups and they suggest ways to integrate this literature with writing fluency development storytelling and audiovisuals Extensive lists of books and websites that feature multicultural literature as well as of authors illustrators and publishers of multicultural literature make it easy to include such works in programs across the curriculum      *Scientific Knowledge regarding Plants* Christian Dorier, 2021-03-11 As a leading researcher in the field of biology Christian Dorier understands the delicate state of our world But as an active member he

senses and relates to the world through a way of knowing far older than any science In she intertwines these two modes of awareness the analytic and the emotional the scientific and the cultural to ultimately reveal a path toward healing the rift that grows between people and nature

**Braiding Sweetgrass** Robin Kimmerer, 2013-09-16 As a botanist Robin Wall Kimmerer has been trained to ask questions of nature with the tools of science As a member of the Citizen Potawatomi Nation she embraces the notion that plants and animals are our oldest teachers In *Braiding Sweetgrass* Kimmerer brings these two lenses of knowledge together to take us on a journey that is every bit as mythic as it is scientific as sacred as it is historical as clever as it is wise Elizabeth Gilbert Drawing on her life as an indigenous scientist and as a woman Kimmerer shows how other living beings asters and goldenrod strawberries and squash salamanders algae and sweetgrass offer us gifts and lessons even if we've forgotten how to hear their voices In reflections that range from the creation of Turtle Island to the forces that threaten its flourishing today she circles toward a central argument that the awakening of ecological consciousness requires the acknowledgment and celebration of our reciprocal relationship with the rest of the living world For only when we can hear the languages of other beings will we be capable of understanding the generosity of the earth and learn to give our own gifts in return
