Revelations For A New Era A Matthew:

Revelations for a New Era Suzanne Ward (Medium),Matthew (Spirit),2001 Who we are in a universal context planetary changes leading to 2012 Representatives of six highly evolved civilizations describe their homelands history and ongoing assistance to Earth that is enabling her to ascend out of third density **Just Behind the Door** Mary Leiker,2012-04-17 The author explains how May 16th 1999 changed her life forever She experienced the loss of two high school seniors and that evening the call came through to tell her that her son in Colorado had also been killed Her first born with his bigger than life personality was gone The words surreal and gut wrenching were her constant companions Exactly six months later her Mom had one heart pain went into a coma and died She had frequently told her Mary when the last leaf is gone from that tree I will be leaving She gave her the gift of time to emotionally survive her son s death Mary shares with you the recorded messages she has received for over a decade from her family on the other side to give you hope Through her experiences you will know that unconditional love and connection continue to exist when you believe in the possibility Our loved ones do not disappear into the cosmos after their death Their energy remains around us forever You can reconnect with your loved ones as she has and achieve peace and assurance that as her son has repeatedly told her Mom all is as it should be **A Mediator in Matthew** Craig D. Saunders,2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew s portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God s will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God s will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus s genuine disciples learn how to emulate the Son of Man s character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God s promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God s will *You Can Avoid Physical Death* Robert E. Pettit,2009-02 There is a place you can go that is free from sickness crime and war That place is not here on this Earth Instead it is on the New Earth And you can choose to obtain a new body and go there Drawing upon thirty three years of University research and fifteen years of Subtle Energy manipulations Dr Pettit discusses relationships between life sciences and spirituality By understanding the concept ask and you can receive he outlines the questions to ask and your responsibilities to create a new body for ascending to the New Earth around 2012 Ascension is available for those who choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace Dr Pettit explains how you can achieve this incredible gift with the following concepts Making a choice to ascend with your physical body Knowing who you are and why

you are on Earth Shifting your dimensional state of consciousness Avoiding fear accept change understand time space
Releasing false beliefs sickness and pain Understand your Mer Ka Ba Energy Field Universal Laws related to your spirituality
The End Times The Shift and Photon Belt The Revelation Given to St. John the Divine John Herbert Latham,1896 **My
Cosmic Trigger** Matt Vaughn,2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd
It involves the intersection of multiple paranormal phenomena revealing an eerie undergirding of reality MY COSMIC
TRIGGER is a deep dive into the subject covering its history theories and notable researchers analyzing mechanisms behind
this cosmic enigma The author s personal experiences provide a penetrating understanding of the phenomenon by
demonstrating how and why extramundane weirdness manifests on a personal level helping people navigate their own
synchromystic initiation with a sense of clarity fostering a constructive relationship with odd occurrences not a destabilizing
one and enabling readers to successfully pull their own cosmic trigger **Commentary on Matthew** Saint Hilary (Bishop
of Poitiers),2012 When the writing of Latin biblical commentaries was still in its infancy a young bishop from Poitiers in Gaul
penned a passage by passage exposition on the Gospel of Matthew It is the first of its kind to have survived almost completely
intact Published now for the first time in English translation Hilary s commentary offers a close look at Latin theology and
exegesis before the Nicene Creed was considered the sole standard of orthodoxy Likely the earliest of Hilary s writings this
commentary has none of the polemic against the Arians that figured so prominently in most of his later works Nonetheless
there exists in this text an oft stated concern with those who interpreted the Incarnation as grounds for construing Christ as
only a man rather than professing Christ as God and man Other noteworthy features of the commentary include Hilary s
interest in the relation between Law and Gospel and his articulation of a Pauline based view of justification by faith In his
view the importance of the Law before the Gospel was indisputable and necessary For Jews it was considered the way of
redemption With the advent of Christ it became an eschatological guide directing all future believers into the grace that
comes by faith Hilary s emphasis on God s righteousness conferred on a helpless race represents a far more pronounced
application of Paul s thought than in any previous Latin writer ABOUT THE TRANSLATOR D H Williams is professor of
patristics and historical theology at Baylor University His publications include books and articles on early Christian thought
and literature as well as studies that seek to integrate the ancient Christian legacy with contemporary theology He is the
editor of The Church s Bible Commentary on Matthew **Physical Body Ascension to the New Earth** Robert E.
Pettit,2010-06-01 There is a place you can go that is free from sickness crime and war That place is not here on this Earth
Instead it is on the New Earth And you can choose to obtain a new body and go there Drawing upon thirty three years of
University research and fifteen years of Subtle Energy manipulations Dr Pettit discusses relationships between life sciences
and spirituality By understanding the concept ask and you can receive he outlines the questions to ask and your
responsibilities to create a new body for ascending to the New Earth around 2012 Ascension is available for those who

choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace Dr Pettit explains how you can achieve this incredible gift with the following concepts Making a choice to ascend with your physical body Knowing who you are and why you are on Earth Shifting your dimensional state of consciousness Avoiding fear accept change understand time space Releasing false beliefs sickness and pain Understand your Mer Ka Ba Energy Field Universal Laws related to your spirituality The End Times The Shift and Photon Belt Gaia Luminous Kiara Windrider,2023-08-19 his is the most comprehensive book on planetary shift I have ever read The physical realities cosmic perspectives and dynamics involved are all addressed Rapid climate changes galactic and solar cycles volcanism ice ages and magnetic reversals are touched upon in a rich and concise way Gaia Luminous goes to the very heights and depths of what this great change is all about Barry Martin Snyder Birthing the Luminous Self This remarkable book showcases Kiara s extraordinary ability to integrate summarize and structure a vast range of topics from deeply spiritual teachings to the latest discoveries in science Kiara brilliantly and eloquently connects the dots and presents clear and practical solutions for these complex and precarious times Yves Nager Find your Life Purpose For those who are consciously aware of the challenging implications of these times and seek both cosmic perspectives and spiritual guidance Gaia Luminous is an invaluable resource of scholarly and balanced investigation combined with profound personal experience Simon Peter Fuller Rising out of Chaos Kiara Windrider serves up a full course of scientific inquiry evolutionary thinking and sacred insights from a wide variety of traditions This thrilling read feeds our sense of the possible and activates our commitment to a bold new vision for humanity James O Dea The Conscious Activist Revelation (THNTC) John Christopher Thomas, Frank D. Macchia ,2016 The book of Revelation is perhaps the most theologically complex and literarily sophisticated text in the New Testament In this commentary John Christopher Thomas and Frank Macchia make the brilliant but challenging text of Revelation more accessible and easier to understand on its own terms rather than as a futuristic prophecy In addition to their literary exegetical and theological analysis of the text they offer sustained theological essays on the book s most significant themes and issues accenting especially the underappreciated place of the Holy Spirit in the theology of the book *The Truth of Revelation, Demonstrated by an Appeal to Existing Monuments, Sculptures, Gems, Coins, and Medals* John Murray,1831 Revelation of Jesus Christ Grace Chung,2024-11-19 This book is the words of God explaining about the book of Revelation and about the end time It gives us the God s explanation about each chapter of the book of Revelation explaining about the seven churches in Asia and about the plagues of seven seals This book will tell us in detail about how we should believe in Jesus in order to be saved out of hell fire and out of all the plagues that will strike the earth in the upcoming future The messages of this book must be the warning signals of God that He wants to send to all of His churches and to all the people who live in the end time of the world Once Jesus showed me what will happen in the very end of the world I saw the people who will be left behind on earth being flown away by the huge fiery tempest since heaven

and earth will flee away and all the gravity on earth will disappear in the end of the world In 2 Peter 3 10 12 it says But the day of the Lord will come as a thief in the night in which the heavens will pass away with a great noise and the elements will melt with fervent heat both the earth and the works that are in it will be burned up Therefore since all these things will be dissolved what manner of persons ought you to be in holy conduct and godliness looking for and hastening the coming of the day of God because of which the heavens will be dissolved being on fire and the elements will melt with fervent heat This book is the first volume of the messages of the book of Revelation that I have translated Soon there will be the second and third volume of the messages of the book of Revelation coming out In the second and the third volume of the messages of the book of Revelation there will be explanations in detail about the plagues of seven trumpets the plagues of seven bowls the white throne judgment and heaven I wish you will all read these books and get an insight into what will happen in the close future in the world and prepare yourselves to be saved out of upcoming punishment of God that will befall earth and enter into heaven in the end God bless you all

Uncovering the Secrets of Bible Prophecy Jeff Kinley, 2018-11-06 Can I know for sure what s in store for the future With so much hype about the signs of the times it s more important than ever to know what God really said was going to happen It s not enough to take someone else s word for it You must know how to uncover prophetic truths in the Bible for yourself In this easy to read yet extremely helpful guide to understanding the nature and

purpose of the prophetic passages in Scripture Jeff Kinley will show you the five biggest mistakes people make when it comes to Bible prophecy how to sort fact from fiction and spot false prophets the major views and interpretive principles you need to know the difference Bible prophecy makes in your life right now The future may seem like one big mystery but it doesn't have to be God has made His plans evident to all And when you know what He has revealed you can face the last days with a confident assurance of His provision and victory *The Presence of the Future* George Eldon Ladd, 1996-07-29 After surveying the debate of eschatology Ladd discusses the promise of the kingdom the fulfillment of the promise and the consummation of the promise Throughout the book he develops his thesis that the kingdom of God involves two great movements fulfillment within history and consummation at the end of history *A Theology of Matthew's Gospel* Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify defend and proclaim Jesus Immanuel God with us as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham 1 1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long-awaited Messiah Matt 11 2 6 But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles emphasizing that salvation through Jesus Messiah is available to all the nations 28 19 The book emphasizes the three horizons that comprise Matthew's gospel history theology and literature The first horizon focuses on Jesus's history ministry Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven The second horizon develops Matthew's theological perspective for his audience's Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah This is a central focus emphasizing Matthew's theological perspective of the Old Testament Christology the kingdom of heaven discipleship the Church church Israel past present and future the death and resurrection of Jesus mission commission and eschatology eternity The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven In the six Narratives Matthew reveals Jesus's true identity in his deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses The six Narratives provide the example that Jesus's disciples are commanded to obey In the five Discourses Matthew records Jesus's instructions commands parables directives and prophecies that will guide his followers in their discipleship to Jesus until the end of the age Combined the narratives of Jesus's life provide Jesus's example to follow

and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus

The Revelation (New Revised Edition) Bodo Balsys, 2022-09-06 This book presents basic postulates concerning many esoteric concepts. These include the concept of God, what constitutes evil, the nature and function of karma, the manifestation of energy from the subtle planes of perception, the nature of manifest Divinity as veiled by the concept of the Christ in the Bible, and the mysteries of Being. The analysis moves from my earlier Buddhist writings to focus upon the information in the Bible, especially in relation to the nature of the reappearance of the Christ, which here is equated with the externalisation process of the Hierarchy of Enlightened Being. This doctrine concerns the mode of the evolution of transcendent perception by humanity. The awakening of higher spiritual perceptions via the enlightenment path and the understanding of the psychic constitution of the n s and chakras are also explained. A syncretic approach is therefore espoused through the comparison between Eastern doctrines and the presented esoteric Christianity. In doing so, many of the veiled hidden mysteries in the Gospel story and the book of Genesis are revealed. The text shows how these religions are but aspects of one fundamental religious evolution of the historical development of what is known in the East as the dharma and in the Western tradition as the Law of God.
