Revitalize Your Life After 50 Jack LaLanne, 1995 Leading expert offers a guide to reclaiming the energy you knew in youth

The Courage to Change Joyce Meyer, 2025-05-06 Change is inevitable And sometimes it s confusing and difficult even when it s good We can t keep change from coming but we can allow it to transform us rather than derail us by facing it and embracing it through the lens of God s unchanging promises to us We ve all heard the saying The only constant is change Sometimes the changes we face both expected and unexpected can make our lives feel ungrounded and unsteady And when we react to change with fear an opportunity for growth can turn into overwhelming anxiety that locks us into situations relationships and ways of thinking and being that prevent us from living in the fullness of who we truly are in Christ Beloved Bible teacher and 1 New York Times bestselling author Joyce Meyer wants us to know that even when we feel like the ground beneath our feet is shifting we can stand firm on the promise of God s Word that He will see us through With her signature insight and timeless wisdom Joyce shows us how to align our emotional reactions to changes with the truth of God s promise that He will work all changes for good in our lives even the most painful and difficult ones In The Courage to Change you will learn how to Embrace change as a necessary part of growth Replace a mindset of fear with a mindset of opportunity And live fully within the uncertainty of change while maintaining peace We will all face changes again and again throughout our lifetimes We don t have to live dreading the challenges that these changes bring We can equip ourselves to become people of bravery optimism and hope in an ever changing world because we have God s assurance that His character and His promises will never change Become a change warrior and embrace the courage to change The Courage to Change also contains study questions at the end of each chapter for individual or group reflection
