Ancient and Mystical Order Rosae Crucis also called the Rosicrucian Order AMORC is a worldwide philosophical and humanistic fraternal order devoted to the study of the elusive mysteries of life and the universe The organization is non sectarian and it is open to both men and women of adult age regardless of their various religious persuasions The current open cycle in America of AMORC was re activated by Harvey Spencer Lewis in 1915 Lewis received authority to do so from the Supreme Council of the Rosicrucian Order after being tried tested and finally initiated into the Order in 1909 Toulouse France AMORC s teachings draw upon ideas of the major philosophers particularly Pythagoras Thales Solon Heraclitus and Democritus The teachings are divided into Degrees which are further grouped into broad categories under titles such as Postulant Neophyte and Initiate sections These degrees cover various fields related to physical mental psychic and spiritual existence such as physics metaphysics biology psychology parapsychology comparative religion traditional healing techniques health intuition extrasensory perception material and spiritual alchemy meditation sacred architecture symbolism and that mystical state of consciousness relating to the experience of unity with the Divine The Martino Edition reprints the Seventh Edition 1938 of this official manual *Rosicrucian Manual, Prepared Under the Supervision of H. Mystical Order Rosae Crucis, Harvey Spencer Lewis, 1947 The Messengers Raymond Hansen, 2008-06 During my many searches for knowledge and information I have not discovered anything anywhere to contradict my findings in respect to the fact that ignorance and all of its sources are the main culprits for the propagation of ignorance without which the world would be a far better place Imagine having at your disposal the ability to correct many of the wrongs within society This actually is the case if you are capable of recognising such facts I regret deeply the fact that it is necessary to omit many pieces of information Rosicrucian manual. 20th ed H. Spencer LEWIS, 1969 **Rosicrucian Principles for the Home and Business** Harvey Spencer Lewis, 1929 **The Rosicrucians** Christopher McIntosh, 1998-09-01 An introduction to the spiritual movement that influenced Western esoteric tradition from alchemy and Freemasonry to the Hermetic Order of the Golden Dawn This scholarly work traces the mysterious Fraternity of the Rosy Cross from its inception upon the discovery of Father Christian Rosenkreuz's perfectly preserved body in a seven sided vault to present day organizations in America McIntosh includes a survey of Rosicrucianism in America exploring the latter day survivals of Bacon's New Atlantis Perfect for students of the Western Mystery tradition who want an introduction to Rosicrucianism with good resources for further study *Tales of the Puppet Master* Pierre S. Freeman, 2023-06-23 The published works of H Spencer Lewis founder of the Rosicrucian cult AMORC have been read by millions over the past hundred years Many who believed that his writings contained the secrets of the universe soon found themselves controlled and brainwashed by an organization they hoped would bring enlightenment For twenty six years author Pierre S Freeman was one of these victims Now he is speaking out to help prevent others from falling into the same trap In *Tales of the Puppet Master* Emperor Imperator Speaks Freeman examines five of H Spencer Lewis's well known publications The truths exposed include how Lewis was able to gain the public's trust and boost his intellectual and scientific platform by posing as a public watchdog for subliminal messages all the while seeking to administer his own mind control program used questionable cosmology and science to shape himself into the image of God explained his doctrine of reincarnation through a lame fictional story of early man had connections to Nazi Germany Mussolini and other anti Semitic movements This compelling exploration examines the dangers of brainwashing and how one individual has been able to exude power over others through his writings and methodologies Never before has anyone challenged AMORC and its founder's works so directly The Mystical Life of Jesus Harvey Spencer Lewis, 1929 The Cambridge Handbook of Western Mysticism and Esotericism Glenn Alexander Magee, 2016-04-18 Mysticism and esotericism are two intimately related strands of the Western tradition Despite their close connections however scholars tend to treat them separately Whereas the study of Western mysticism enjoys a long and established history Western esotericism is a young field The Cambridge Handbook of Western Mysticism and Esotericism examines both of these traditions together The volume demonstrates that the roots of esotericism almost always lead back to mystical traditions while the work of mystics was bound up with esoteric or occult preoccupations It also shows why mysticism and esotericism must be examined

together if either is to be understood fully Including contributions by leading scholars this volume features essays on such topics as alchemy astrology magic Neoplatonism Kabbalism Renaissance Hermetism Freemasonry Rosicrucianism numerology Christian theosophy spiritualism and much more This Handbook serves as both a capstone of contemporary scholarship and a cornerstone of future research
