Royal Historical Society Transactions Vol 6 Sixth Series:

Transactions of the Royal Historical Society: Volume 6 Royal Historical Society,1997-04-13 Offers readers an annual collection of major articles representing some of the best historical research by some of the world's most distinguished historians

Five Parishes in Late Medieval and Tudor London Gary G Gibbs,2019-06-18 Five Parishes in Late Medieval and Tudor London presents linked microhistorical studies of five London parishes using their own parish records to reconstruct their individual operations religious practices and societies The parish was a foundational institution in Tudor London Every layperson inhabited one and they interacted with their neighbors in a variety of parochial activities and events Each chapter in this book explores a different parish in a different part of the city revealing their unique cultures societies and economies against the backdrop of presiding themes and developments of the age Through detailed microhistorical analysis patterns of collective behavior parishioner relationships and parish leadership are highlighted providing a new perspective on the period The reader is drawn into the local neighborhoods and able to trace how people living in the Tudor era experienced the tumultuous changes of their time This book is ideal for scholars and students of early modern history microhistory parish studies the history of the English reformation and those with an interest in administrative history of the late medieval and early modern periods

The Journal of Thomas Juxon, 1644-1647 Thomas Juxon,1999 First published in 2000 this book is a modern and accessible edition of a manuscript journal kept by Thomas Juxon

The Plumpton Letters and Papers Joan Kirby,1996 This volume in the Royal Historical Society's Camden Fifth Series is a comprehensive edition of the only surviving northern medieval letter collection

Household Accounts and Disbursement Books of Robert Dudley, Earl of Leicester: Volume 6 Dr. Simon Adams,Simon Adams,1995 Robert Dudley the first Earl of Leicester was a leading figure at the court of Elizabeth I and this book presents a scholarly edition of both his two surviving household accounts from 1558 to 1581 and the fragments of his disbursement books from 1584 to 1586 The work also includes an appendix of those lists of household servants that have survived This is the only collection of such information available for such a prominent member of the Elizabethan court and as such provides numerous valuable insights into the personal finances of members of the Elizabethan aristocracy It will thus be essential reading for any serious scholar of the high politics of the Elizabethan period

Church And Society In England 1000-1500 Andrew Brown,2017-03-14 What impact did the Church have on society How did social change affect religious practice Within the context of these wide ranging questions this study offers a fresh interpretation of the relationship between Church society and religion in England across five centuries of change Andrew Brown examines how the teachings of an increasingly universal Church decisively affected the religious life of the laity in medieval England However by exploring a broad range of religious phenomena both orthodox and heretical including corporate religion and the devotional practices surrounding cults and saints Brown shows how far lay people continued to shape the Church at a local level In the hands of the laity religious practices proved

malleable Their expression was affected by social context status and gender and even influenced by those in authority Yet as Brown argues religion did not function simply as an expression of social power hierarchy patriarchy and authority could be both served and undermined by religion In an age in which social mobility and upheaval particularly in the wake of the Black Death had profound effects on religious attitudes and practices Brown demonstrates that our understanding of late medieval religion should be firmly placed within this context of social change **P. S. O'Hegarty (1879-1955)** Keiron

Curtis,2012-10 P S O Hegarty 1879 1955 provides an informative and lively biography of the Irish nationalist P S O Hegarty a major historical figure in the modern separatist movement At the same time the book explores important issues within nationalism and Irish history such as what is meant by nation and national identity cultural and political tolerance Republican Liberalism and the nature as well as the clash of religion and state **The Times and Appeasement** Aubrey Leo

Kennedy,2000 A L Kennedy the son of a British diplomat began a long career in journalism with The Times before the First World War When he returned to the newspaper in 1919 as Captain Kennedy he began to keep a journal of his activities and ideas his conversations with politicians officials and journalists This book is an edited and annotated selection from his journals between 1932 and 1939 during which period he served as The Times assistant foreign editor and in which capacity he was responsible for most of the leading articles on foreign affairs His journals provide a fascinating insight into the complicated relationship between The Times and the government intriguing to read they are an extremely valuable source for historians of diplomacy politics and journalism in Britain between the wars and help to illuminate our understanding of appeasement **Masters and Servants** Scott P. Stephen,2020-01-09 Stephen offers fresh insight into the path a historic fur trading business took to become one of Canada s most recognizable retailers Literary Review of Canada In Masters and Servants Scott P Stephen reveals startling truths about Hudson s Bay Company HBC workers Rather than dedicating themselves body and soul to the Company s interests these men were hired like domestic servants joining a household with its attendant norms of duty and loyalty The household system produced a remarkably stable political economic entity connecting early North American resource extraction to larger trends in British imperialism Through painstaking research Stephen shines welcome light on the lives of these largely overlooked individuals An essential book for labor historians Masters and Servants will appeal to scholars of early modern Britain the North American fur trade Western social history business history and anyone intrigued by the reach of the HBC Blacksmiths bookkeepers loggers tanners coopers cooks sail makers interpreters surveyors clergy the list goes on as Stephen marches us through the lives of the early Hudson s Bay worker The Ormsby Review Overall the book reflects the work of a historian comfortable with the hard work of archival research and with an eye for detail and insightful quotations In many respects it does for Hudson s Bay Company employees what Carolyn Podruchny s Making the Voyageur World did for employees of the Montreal based fur trade companies in recreating their values worldview and distinctive work environment Michael Payne Prairie History *The History of the*

Irish Famine Christine Kinealy, Gerard Moran, 2018-09-20 The Great Irish Famine remains one of the most lethal famines in modern world history and a watershed moment in the development of modern Ireland socially politically demographically and culturally In the space of only four years Ireland lost twenty five per cent of its population as a consequence of starvation disease and large scale emigration Certain aspects of the Famine remain contested and controversial for example the issue of the British government s culpability proselytism and the reception of emigrants However recent historiographical focus on this famine has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 This volume seeks to counterbalance the recent historiographical focus on the Great Irish Famine which has overshadowed the impact of other periods of subsistence crisis both before 1845 and after 1852 As occurred during the Great Famine they often resulted in increased levels of evictions emigration disease and death although the scale was lower While the Great Famine brought major economic social and demographic changes large areas of the country retained pre famine structures with many communities continuing to have a subsistence existence and consequently regular crop failures and famines These lesser known famines are examined in this volume along with the causes and why they did not achieve the scale of the Great Famine

The Great Tradition Anthony Brundage, Richard A. Cosgrove, 2007 This book examines the prominent role played by constitutional history from 1870 to 1960 in the creation of a positive sense of identity for Britain and the United States

Religious Space in Reformation England Susan Guinn-Chipman, 2015-10-06 The dissolution of the monasteries in England during the 1530s began a turbulent period of religious restructuring Focusing on the counties of Wiltshire and Cheshire Guinn Chipman looks at the changing nature of religion over the next two centuries

Sentiment and Self Peter Robb, 2011-09-15 Richard Blechynden was a surveyor architect and builder in early colonial Bengal This volume and its companion *Sex and Sensibility* use 80 volumes of his diaries and other archival material along with anecdotes extracts and stories to recreate histories of everyday life While *Sex and Sensibility* deals with larger issues of sexuality concubines and dynamics of households in colonial Bengal this volume deals with life in Calcutta and the re creation of a British identity It explores issues like interactions between Europeans and Indians race and tolerance laws and legal system and establishment of colonial city and government giving a bird s eye view of colonial Calcutta and its dynamic society This book will interest scholars and students of modern Indian history gender studies cultural studies and British Imperialism as well as those interested in biographies

Philanthropy Paul Vallely, 2020-09-17 This is the definitive book on philanthropy its history contradictions and future John Gray Emeritus Professor of European Thought London School of Economics Good books lay out the lie of the land Important books change it This book is both Giles Fraser priest journalist and broadcaster The super rich are silently and secretly shaping our world In this groundbreaking exploration of historical and contemporary philanthropy bestselling author Paul Vallely reveals how this far reaching change came about Vivid with anecdote and scholarly insight this magisterial survey from the ancient Greeks to today s high tech geeks provides an original take on the

history of philanthropy It shows how giving has variously been a matter of honour altruism religious injunction political control moral activism enlightened self interest public good personal fulfilment and plutocratic manipulation Its narrative moves from the Greek man of honour and Roman patron via the Jewish prophet and Christian scholastic through the Elizabethan machiavel Puritan proto capitalist Enlightenment activist and Victorian moralist to the robber baron philanthropist the welfare socialist the celebrity activist and today s wealthy mega giver In the process it discovers that philanthropy lost an essential element as it entered the modern era The book then embarks on a journey to determine where today s philanthropists come closest to recovering that missing dimension Philanthropy explores the successes and failures of philanthrocapitalism examines its claims and contradictions and asks tough questions of top philanthropists and leading thinkers among them Richard Branson Eliza Manningham Buller Jonathan Ruffer David Sainsbury John Studzinski Bob Geldof Naser Haghamed Lenny Henry Jonathan Sacks Rowan Williams Ngaire Woods and the presidents of the Rockefeller and Soros foundations Rajiv Shah and Patrick Gaspard In extended conversations they explore the relationship between philanthropy and family faith society art politics and the creation and distribution of wealth Highly engaging and meticulously researched Paul Valley s authoritative account of philanthropy then and now critiques the excessive utilitarianism of much modern philanthrocapitalism and points to how philanthropy can rediscover its soul Nature Sir

Norman Lockyer, 1921 **How the War Was Won** Phillips Payson O'Brien, 2015-02-12 An important new history of air and sea power in World War II and its decisive role in Allied victory Military History of Scotland Spiers Edward M.

Spiers, 2014-07-11 The Scottish soldier has been at war for over 2000 years Until now no reference work has attempted to examine this vast heritage of warfare A Military History of Scotland offers readers an unparalleled insight into the evolution of the Scottish military tradition This wide ranging and extensively illustrated volume traces the military history of Scotland from pre history to the recent conflict in Afghanistan Edited by three leading military historians and featuring contributions from thirty scholars it explores the role of warfare in the emergence of a Scottish kingdom the forging of a Scottish British military identity and the participation of Scots in Britain s imperial and world wars Eschewing a narrow definition of military history it investigates the cultural and physical dimensions of Scotland s military past such as Scottish military dress and music the role of the Scottish soldier in art and literature Scotland s fortifications and battlefield archaeology and Scotland s military memorials and museum collections *The Execution of Admiral John Byng as a Microhistory of Eighteenth-Century Britain* Joseph J. Krulder, 2021-04-26 According to Voltaire s Candide Admiral John Byng s 1757 execution went forward to encourage the others Of course the story is more complicated This microhistorical account upon a macro event presents an updated revisionist and detailed account of a dark chapter in British naval history Asking what was Britain like the moment Byng returned to Portsmouth after the Battle of Minorca 1756 not only returns a glimpse of mid eighteenth century Britain but provides a deeper understanding of how a wartime admiral the son of a peer of some wealth a once colonial governor and

sitting member of parliament came to be scapegoated and then executed for the failings of others This manuscript presents a cultural social and political dive into Britain at the beginning of the Seven Years War Part 1 focuses on ballad newspaper and prize culture Part 2 makes a turn towards the social where religion morality rioting and disease play into the Byng saga Admiral Byng s record during the 1755 Channel Campaign is explored as is the Mediterranean context of the Seven Years War troubles elsewhere in the empire and then the politics behind Byng s trial and execution

Churchill and the Islamic World Warren Dockter,2015-03-20 Winston Churchill began his career as a junior officer and war correspondent in the North West borderlands of British India and this experience was the beginning of his long relationship with the Islamic world Overturning the widely accepted consensus that Churchill was indifferent to and even contemptuous of matters concerning the Middle East this book unravels Churchill s nuanced understanding of the edges of the British Empire Warren Dockter analyses the future Prime Minister s experiences of the East including his work as Colonial Under Secretary in the early 1900s his relations with the Ottomans and conduct during the Dardanelles Campaign of 1915 16 his arguments with David Lloyd George over Turkey and his pragmatic support of Syria and Saudi Arabia during World War II Challenging the popular depiction of Churchill as an ignorant imperialist when it came to the Middle East Dockter suggests that his policy making was often more informed and relatively progressive when compared to the Orientalist prejudices of many of his contemporaries

Way Back To God Douglas Dales,2019-12-31 Bonaventure was a great pastor and preacher and also a very effective teacher His writing shows clarity and conviction and his authority arose from his profound grasp of Scripture and patristic monastic tradition The force behind how he wrote sprang from his keen sense of the significance of Francis and Clare and all that flowed from them not least into his own spiritual life and experience as a person of deep contemplative and mystical prayer *Way Back to God* is a comprehensive conspectus and study of how Bonaventure taught Christian theology and applied it to spiritual life It is intended to be a guide through most of his writings though not as a substitute for reading them It provides a bridge into his thought and also a remarkable hand book of Christian theology in its bearing upon spiritual life Douglas Dales new work enables Bonaventure s distinctive spiritual theology to be seen as a whole as well as making his writings in Latin or English accessible and attractive

Decoding **Royal Historical Society Transactions Vol 6 Sixth Series**: Revealing the Captivating Potential of Verbal Expression
