Royals And Rogues:

Rogues and Royals - An Intriguing Journey Roger Hurst, 2021-11-25 Royals and Rogues Eve Lyte, 2017-08 When Laura and Sophie return from an unhappy term at their new boarding school Laura is horrified to discover her Grandma has a new friend in the shape of the overly charming Jeremy Hunter who she suspects is only interested in her Grandma's money A magic curse transports the three of them back to the Weymouth of Seventeen Eighty Nine where in order to return to their own time they must learn some lessons about trust as they find themselves caught up in the world of King George III and his three bored and overly protected daughters the Princesses Charlotte Augusta and Elizabeth Rogue Amongst Royals C J R Isely, 2023-05-12 The war of Rogues and Royals is only just beginning After uncovering the secrets of who he is Will only wants life to go back to what it was But his fourth year of training to be a knight takes a turn for the dangerous far too soon after his return to Alamore when mysterious riders arrive not to capture him but with a request their leader wants to speak with him Now rogues cause chaos through Alamore a familiar noble has arrived to lodge their complaints the protection of the Queen and Princess are paramount and the Ranger of Kings has returned to take on a squire of his own But there are new questions new secrets and Will must find the answers that will keep Alamore from descending into civil war Time is running out though as the Royal amongst Rogues rises with the fury of vengeance and intent to seize power once and for all **Rogue Amongst Royals** is the fourth installment in the William of Alamore series Don't miss the continuation of the adventure as Will Rowan and Colin are plunged into another year of training to become knights Read it today **Fast Pitch Fifties** Pete Gallo, 2013-06-28 Fast Pitch A lost chapter in the history of America's favorite pastime is finally recovered and retold in brilliant and play by play detail in Pete Gallo's book Fast Pitch Fifties Readers are warmly invited to revisit New Rochelle during the 1950s and discover the Twilight League and windmill baseball at its height as some 20 teams battled for championship titles and local bragging rights Fast Pitch recalls a period when local sports was king and a championship series in towns like New Rochelle would draw crowds that were measured in the tens of thousands Based on interviews and historical accounts the author brings to life local legends of windmill at its height such as pitcher Rush Riley who threw a softball at major league speeds and was known for his Olympian endurance playing up to ten games per week While many of the names are less familiar windmill stars who managed national acclaim are also recalled such as Hicksville Long Island native Roy Stevenson an early pioneer of windmill pitch who helped inspire a generation of players in the New York metropolitan area Aimed at sports fans the book is also the story of an era one full of memorable characters like Popeye Claps an affable stationery store owner and baseball coach who managed to get Roy Rogers and his troupe to visit New Rochelle for an ad hoc block party for local kids Then there was Bruce Flowers a professional boxer who helped lead New Rochelle's most winning windmill team for the decade the New Rochelle Royals You will read about Bill Marino a veteran who lost his arm in World War II but remarkably managed to recapture personal glory by becoming one of the league's most

feared pitchers The author also finds that windmill s most prominent feature lead to its decline in community sports It was a game where sheer pitching strength ruled the day making balancing league play difficult which helped give rise to its successor modern slow pitch softball Though fast pitch persists in popularity particularly among women s college leagues Gallo brings us back to an era when communities across America were first discovering the game The book recalls how the social fabric of the 1950s with its unbridled post war optimism and corresponding economic boom provided for a golden era in community sports from stickball play to fast pitch Gallo reminds us of how this amateur recreational league evolved to resemble a full fledged minor B ball league housed in a single city the Queen City of the Sound *Arrows of the Chace, Being a Collection of Scattered Letters Published Chiefly in the Daily Newspapers, 1840-1880: Letters on politics, economy and miscellaneous matters* John Ruskin,1880 **Her Royal Twins** Jadevizz,2021-05-12 Evangeline is an independent and free spirited girl she was happy with the way her life was going she didn t want a mate But fate had other plans for her It blessed her with not a single mate but with two Mates how does she is going to react to the change of events in her life Is she going to accept her destiny of two mates or going to resist the mate bond what happens when fate decided to play her part on Evangeline s destiny with a lots and lots of twists Will Evangeline be able to overcome all the obstacles thrown on her life and embrace her destiny Stay tuned To know further *Arrows of the Chace* John Ruskin,1881 **The Works of John Ruskin** John Ruskin,1905 **The Complete Works of John Ruskin** John Ruskin,1891 *Modern painters.-v.5-6.
