

Security For Senior Citizens

Yanzhong Wang

Security For Senior Citizens:

The Development of Security and Whole Care System for the Aged in China Yanzhong Wang, 2017-10-25 This book examines the process of population aging in China and its unique features considers the social progress implied in China becoming a society with an aging population and assesses the tremendous risks and challenges involved Based on the development of pension security systems around the world the book studies the status quo and future requirements of the Chinese pension security system from the perspectives of capital service and spirit and puts forwards a three pillar pension security system that is in conformity with China s current situation and reflects the developmental trend that in future social security will likely transform from material security into comprehensive security In addition the book analyzes the Chinese pension security system While integrating international perspectives its main focus is on statistical analysis combining theory with practice and qualitative with quantitative analysis As such the book not only offers a window for the world on the status and evolution of China s pension security system but also an opportunity for international academic dialogues

Security for Senior Citizens David Yost Coverston, 1988-01-01 **Security in Public Housing for the Elderly** United States. Congress. House.
