Seduction Of The Mediterranean Writing Art And Homosexual Fantasy

Jeffrey Merrick, Michael Sibal

Seduction Of The Mediterranean Writing Art And Homosexual Fantasy:

The Seduction of the Mediterranean Robert Aldrich, 2002-09-11 Through an explanation of forty figures in European culture The Seduction of the Mediterranean argues that the Mediterranean classical and contemporary was the central theme in homoerotic writing and art from the 1750s to the 1950s Episodes of exile murder drug taking wild homosexual orgies and court cases are woven into an original study of a significant theme in European culture The myth of a homoerotic Mediterranean made a major contribution to general attitudes towards Antiquity the Renaissance and modern Italy and Greece

Buying Gay David K. Johnson, 2019-03-12 In 1951 a new type of publication appeared on newsstands the physique magazine produced by and for gay men For many men growing up in the 1950s and 1960s these magazines and their images and illustrations of nearly naked men as well as articles letters from readers and advertisements served as an initiation into gay culture The publishers behind them were part of a wider world of physique entrepreneurs men as well as women who ran photography studios mail order catalogs pen pal services book clubs and niche advertising for gay audiences Such businesses have often been seen as peripheral to the gay political movement In this book David K Johnson shows how gay commerce was not a byproduct but rather an important catalyst for the gay rights movement Offering a vivid look into the lives of physique entrepreneurs and their customers and presenting a wealth of illustrations *Buying Gay* explores the connections and tensions between the market and the movement With circulation rates many times higher than the openly political homophile magazines physique magazines were the largest gay media outlets of their time This network of producers and consumers helped foster a gay community and upend censorship laws paving the way for open expression Physique entrepreneurs were at the center of legal struggles especially against the U S Post Office including the court victory that allowed full frontal male nudity and open homoeroticism *Buying Gay* reconceives the history of the gay rights movement and shows how consumer culture helped create community and a site for resistance

Body Parts Christopher E. Forth, Ivan Crozier, 2005-01-01 In many forms of discourse specific parts of the human anatomy may signify or act as a substitute for the whole body person the presence of a large gut may render a man effeminate or represent someone who has lost control of his appetites visible muscles indicate strength of body but also constitution or will a hard penis indicates a male body in a state of perfection In this volume scholars from a variety of historical and cultural studies disciplines examine scientific medical popular and literary texts paying special attention to the different strategies employed in order to establish authority over the body through the management of a single part By considering body parts that are usually ignored by scholars the skin blood the pelvis the hair the essays in this volume render the idea of a single coherent body untenable by demonstrating that the body is not a transhistorical entity but rather deeply fragmented and fundamentally situated in a number of different contexts

A Special Illumination Rollan McCleary, 2004 Gay spirituality represents a hidden strand in Western thought that was only publically declared from the Gay Liberation of the 1970s Since coming out expressions of gay spirituality have

proliferated in both number and diversity Beginning with gay theology within Christianity the phenomenon has now reached as far as Buddhism and neo paganism But so far critical analysis of the movement has been very limited largely because gay spirituality has been treated as a political and social movement arguing for rights and acceptance within religious circles A Special Illumination offers an indepth analysis and argues that gay spirituality should be placed at the heart of religion

Sweetness and Strength Lene Østermark-Johansen, 2019-01-15 First published in 1998 this volume explores the reinvention of Michelangelo in the Victorian era At the opening of the nineteenth century Michelangelo s reputation rested on the evidence of contemporary adulation recorded by Vasari and Condivi Travel photography the shift of his drawings into public collections and in particular the publication of his poems in their original form transformed this situation The complexity of his work commanded new attention and several biographies were published As public curiosity and knowledge of the artist increased so various groups began to ally themselves to aspects of Michelangelo s persona His Renaissance reputation as a towering genius a man of great spiritual courage who had journeyed through and for his art to the depths of despair was important to the Pre Raphaelites and other artists His love for his own Dark Lady Vittoria Colonna aroused excited speculation among High Church advocates who celebrated his friendship with the deeply religious woman poet and the emerging awareness that some half of his love poetry was dedicated to a younger man Tommaso de Cavalieri was of intense interest to the aestheticists among them Oscar Wilde Walter Pater and J A Symonds who sought heroic figures from societies where masculinity was less rigorously defined In this original and beautifully illustrated study Lene stermark Johansen shows how the critical discussion of the artist s genius and work became irretrievably bound up in contemporary debates about art religion and gender and how the Romantic view of art and criticism as self expression turned the focus from the work of art to the artist himself such that the two could never again be viewed in isolation **AIDS and American**

Apocalypticism Thomas Lawrence Long, 2012-02-01 Since public discourse about AIDS began in 1981 it has characterized AIDS as an apocalyptic plague a punishment for sin and a sign of the end of the world Christian fundamentalists had already configured the gay male population most visibly affected by AIDS as apocalyptic signifiers or signs of the end times Their discourse grew out of a centuries old American apocalypticism that included images of crisis destruction and ultimate renewal In this book Thomas L Long examines the ways in which gay and AIDS activists artists writers scientists and journalists appropriated this apocalyptic rhetoric in order to mobilize attention to the medical crisis prevent the spread of the disease and treat the HIV infected Using the analytical tools of literary analysis cultural studies performance theory and social semiotics AIDS and American Apocalypticism examines many kinds of discourse including fiction drama performance art demonstration graphics and brochures biomedical publications and journalism and shows that while initially useful the effects of apocalyptic rhetoric in the long term are dangerous Among the important figures in AIDS activism and the arts discussed are David Drake Tim Miller Sarah Schulman and Tony Kushner as well as the organizations ACT UP and Lesbian

Avengers *Reconsidering the Emergence of the Gay Novel in English and German* James P. Wilper, 2016-02-15 In *Reconsidering the Emergence of the Gay Novel in English and German* James P Wilper examines a key moment in the development of the modern gay novel by analyzing four novels by German British and American writers Wilper studies how the texts are influenced by and respond and react to four schools of thought regarding male homosexuality in the late nineteenth and early twentieth centuries The first is legal codes criminalizing sex acts between men and the religious doctrine that informs them The second is the ancient Greek erotic philosophy in which a revival of interest took place in the late nineteenth century The third is sexual science or sexology which offered various medical and psychological explanations for same sex desire and was employed variously to defend as well as to attempt to cure this perversion And fourth in the wake of the scandal caused by his trials and conviction for gross indecency Oscar Wilde became associated with a homosexual stereotype based on unmanly behavior Wilper analyzes the four novels Thomas Mann's *Death in Venice* E M Forster's *Maurice* Edward Prime Stevenson's *Imre A Memorandum* and John Henry Mackay's *The Hustler* in relation to these schools of thought and focuses on the exchange and cross cultural influence between linguistic and cultural contexts on the subject of love and desire between men **Cultural Encounters and Homoeroticism in Sri Lanka** Robert

Aldrich, 2014-10-17 Ceylon or Sri Lanka was long known to travellers for its luxuriant landscapes colourful temples and friendly inhabitants the island once named Serendip This book explores the sojourns of gay visitors from the late 1800s to the modern day providing a history of homosexuality travel and cultural encounter on the island The book offers profiles of major figures in Sri Lankan culture and of homosexual visitors both famous and infamous to the island It discusses the experiences of sojourners including the Victorian social reformer Edward Carpenter and the German naturalist Ernst Haeckel such British and American writers as Paul Bowles and Arthur C Clarke and the Australian painter Donald Friend It also pays particular attention to Lionel Wendt one of the most important modernist photographers outside Europe For these figures an erotic appreciation of young men whom they encountered mixed with interest in Sinhalese art Buddhist and Hindu spirituality and the flora and fauna of the island Their experiences influenced modern writing art and dance Cultural influences moved in both directions however and Sri Lankans also found inspiration from abroad The book argues that homosexuals played a major role in the transmission of cultural influences from Sri Lanka to the rest of the world and from the wider world to this Indian Ocean island Providing an original analysis of gay cultures in Sri Lanka from Victorian encounters to the present day this book is the first study of Sri Lanka as a site of gay travel An excellent study of trans national cultural exchange sexuality and the relationships between them it will be of interest to academics in the field of Asian Studies Colonial History and Gay and Queer Studies **Who's Who in Gay and Lesbian History Vol.1** Robert Aldrich, Garry Wotherspoon, 2005-10-25 *Who's Who in Gay and Lesbian History From Antiquity to the Mid Twentieth Century* is a comprehensive and fascinating survey of the key figures in gay and lesbian history from classical times to the mid

twentieth century Among those included are Classical heroes Achilles Aeneas Ganymede Literary giants Sappho Christopher Marlowe Arthur Rimbaud Oscar Wilde Royalty and politicians Edward II King James I Horace Walpole Michel de Montaigne Over the course of some 500 entries expert contributors provide a complete and vivid picture of gay and lesbian life in the Western world throughout the ages *Homosexuality in French History and Culture* Jeffrey Merrick, Michael Sibalis, 2013-09-13 Deconstruct changing representations of homosexuality with this important new work of cultural criticism *Homosexuality in French History and Culture* explores episodes patterns and images of same sex attraction in France from the sixteenth to the twenty first century from the essays of Michel de Montaigne to pride parades in contemporary Paris This groundbreaking book documents the ways homosexuality has been named experienced regulated understood and imagined During these centuries homosexuality has been stigmatized as a sin crime or disease and denounced as a threat to social order and national identity Yet the rhetoric of condemnation has always co existed with the reality of toleration This groundbreaking collection analyzes the ways in which persecutions as well as differences within minority sexual subcultures have highlighted stereotypes and anxieties about class and age differences gendered roles and separatism *Homosexuality in French History and Culture* offers historical and literary studies based on a wide variety of sources including novels plays and poetry gossip and satires police reports medical texts travel literature newspapers and periodicals memoirs *Homosexuality in French History and Culture* combines fresh creative re interpretation of familiar texts with exciting new explorations of neglected historical episodes and cultures It is a landmark of meticulous scholarship and rigorous theoretical analysis and a vital resource for scholars of queer theory French history and culture and literary criticism
