Judaism for the World Arthur Green, 2020-09-22 An internationally recognized scholar and theologian shares a Jewish mysticism for our times. Judaism, one of the world's great spiritual traditions, is not addressed to Jews alone. In this masterful book, Arthur Green calls out to seekers of all sorts, offering a universal response to the eternal human questions of who we are, why we exist, where we are going, and how to live. Drawing on over half a century as a Jewish seeker and teacher, he shows us a Judaism that cultivates the life of the spirit that inspires an inward journey leading precisely toward self-transcendence, to an awareness of the universal Self in whose presence we exist. As a neo-Hasidic seeker, he is both devotional and boldly questioning in his understanding of God and tradition. Engaging with the mystical sources, he translates the insights of the Hasidic masters into a new religious language accessible to all those eager to build an inner life and a human society that treasures the divine spark in each person and throughout Creation.

Wake up and think! Malcolm J. Young, 2011-04-29 In today's society, there is little existing that causes people to think. Very seldom does someone or something come along evoking a thought in the minds of many. *Wake up and think!* does just that. Malcolm Young took a serious interest in poetry over six years ago. Influenced by a poem written by a relative, he began to write. *Wake up and think!* is a masterpiece of poetry formulated by Malcolm. Within this work, he shines light on social issues and pressures that often plague America's young and old. He crosses both race and gender barriers with his words of love, peace, freedom, equality, justice, and consciousness. He composes pieces that are both revolutionary and thought-provoking. Malcolm inspires us through his word to wake up from our dream state and think. An inspirational heart-felt and progressive labor that shines a light for all who desire a forward movement.
