Seeds of Change Nina Laden, 2024-02-06 From award winning bestselling author Nina Laden comes a poetic picture book about having the courage and resilience to plant seeds that will improve ourselves and our community Sow seeds of strength Ride out the storm Sow seeds of compassion Make hearts warm After seeing an area in her local Madagascar community devastated from drought a young girl gets inspired She should plant a garden what could be more perfect She gathers her friends cooperates to make a plan and gets to work But when things go devastatingly wrong what can they do It takes a lot of courage but with the support of her whole community on her side this girl won't give up One way or another she'll sow the seeds of change she's been dreaming of With sweet lush art from Sawyer Cloud this lyrical picture book about making the effort to invest in the future of ourselves and our community teaches an invaluable lesson about having the patience to see that in time effort will blossom into a more peaceful loving and accepting world *Seeds of Change* Eva
