Seeds Supporting Women's Work In The Third World:

Managing Development Kathleen Staudt, 1991-04 Roger Ebert is the gold standard for movie critics And his Movie Yearbook has been the go to source for movie lovers for more than 25 years Roger Ebert's criticism shows a nearly unequalled grasp of film history and technique and formidable intellectual range New York Times Pulitzer Prize winning film critic Roger Ebert presents more than 600 full length critical movie reviews along with interviews tributes and journal entries inside Roger Ebert's Movie Yearbook 2013 It includes every movie review Ebert has written from January 2010 to July 2012 Also included in the Yearbook In depth interviews with newsmakers and celebrities Tributes to those in the film industry who have passed away recently Essays on the Oscars reports from the Toronto Film Festival and entries into Ebert's Little Movie Glossary *Femmes, Féminisme Et Développement* Huguette Dagenais, Denise Piché, 1994 For the past twenty years feminist grass root movements professionals and researchers have shown how the social construction of gender relations interacts with all forms of imperialism to mould the dominant ideologies of development Based on a constant dialogue between theory and practice research and action their analyses of society and international development begin with women's experience and aim at policies and actions directed toward social change and the empowerment of women Chicano Culture, Ecology, Politics Devon G. Peña, 1999-01-01 Until recently mainstream American environmentalism has been a predominantly white middle class movement essentially ignoring the class race and gender dimensions of environmental politics In this provocative collection of original essays the environmental dimensions of the Chicana/o experience are explicitly expressed and debated Employing a variety of genres ranging from poetry to autobiography to theoretical and empirical essays the voices in this collection speak to the most significant issues of environmentalism and social justice recognizing throughout the need for a pluralism of Chicana/o philosophies The contributors provide an excellent basis for understanding how multiple Chicana/o views on the environment play out in the context of dominant social political and economic views Chicano Culture Ecology Politics examines a number of Chicana/o ecological perspectives How can the ethics of reciprocity present in Chicana/o agropastoral life be protected and applied on a broader scale How can the dominant society whose economic structure is invested in placeless mobility take note of the harm caused to land based cultures take responsibility for it and take heed before it is too late Will the larger society be ecologically housebroken before it destroys its home Grounded in actual political struggles waged by Chicana/o communities over issues of environmental destruction cultural genocide and socioeconomic domination this volume provides an important series of snapshots of Chicana/o history Chicano Culture Ecology Politics illuminates the bridges that exist and must be understood between race ethnicity class gender politics and ecology CONTENTS Part 1 IndoHispano Land Ethics Los Animalitos Culture Ecology and the Politics of Place in the Upper Rio Grande Devon G Peña Social Action Research Bioregionalism and the Upper Rio Grande Rubén O Martínez Notes on Home Land Ethics Ideas Values and the Land Reyes García Part 2 Environmental History and Ecological

Building Sustainable Societies Dennis Pirages,1996 A collection of articles addressing the issue of whether the industrial model of human progress can be sustained in the long term It asks what the social political economic and environmental implications as well as potential solutions to the problem of resource intensive growth are Transformations Torry D. Dickinson,Robert K. Schaeffer,2015-12-03 Bringing feminist and world systems theories together this analytic anthology examines the rise of intersecting women centered movements that contribute to alternative development and the rise of new societies The authors consider feminist movements and humanistic transformations that create new work and market relations promote democracy and equality redefine gender and sexuality regenerate the environment and construct nonviolent and peaceful relations At the end of each chapter articles by feminist theorists and practitioners on these topics are included to illustrate the analysis Using a global historical framework the book shows how diverse multicultural and international feminist ideas can be brought together to provide a comprehensive and differentiated understanding of change
