Seeing Sugar:

Seeing America ... Walter B. Pitkin, Harold F. Hughes, 1926 Sugar ,1920 Ellen Sherrill, 2011-07-07 Sugar Magnolia longs for her life in Biloxi Mississippi to hold more than hard work at the quaint old hotel she inherited from her mother When a hurricane blows into the bay with a vengeance she discovers a handsome stranger washed ashore and almost dead Forced to nurse him herself she finds her heart desperately wanting him to live When he does regain consciousness they are both dismayed to learn that he has no memory of his life before waking up at Sugar s hotel Not even knowing his name Sugar s stranger chooses to call himself Noah and finds comfort in the one thing that was not lost to him his relationship with God In spite of Sugar s previous lack of interest in spiritual things she sees the strength that Noah draws from knowing God She longs for peace and for healing of childhood wounds that have scarred her as a woman Can Noah s God bring restoration to her as well The knowledge that he could have a wife somewhere prevents Noah and Sugar from expressing the deep feelings that are growing between them When Noah s identity does become known they are faced with new challenges Although Noah seems confident that God will somehow work things out Sugar s faith is new and untested their problems seem as insurmountable as the huge waves that brought Noah into her life Now that she has finally found love will she still be forced to live without it Or is Noah right is God really capable of bringing good out of the storm that surrounds them *Great Neck* Jay Cantor, 2007-12-18 In 1960 a group of friends are plucked from their sixth grade classroom in privileged Great Neck Long Island and confronted for the first time with the horrors of the Holocaust They hear a challenge from the past a cry from history to set the world on a better course but it is the murder of a much loved older brother during Mississippi s Freedom Summer that makes their mission clear From the front line of the civil rights movement to Andy Warhol s New York art scene from comic book superheroes to the violent maelstrom of the Weather Underground Great Neck immerses us in a charged time not so long ago and illuminates the lives of those who were shaped by its energies and ideals Vigorous funny profound and altogether gripping it is a masterpiece of contemporary literature *Report* ,1902 *American Sugar Industry* ,1920
