A murder, a motive, and an arrest: it should have been a simple case, but it wasn't. Enter Dr. Susan Kemper, psychologist and forensic hypnotherapist. Susan's domineering husband doesn't want her on this case, and the lead detective considers her methods laughable. In fact, the only person who wants her there is Tom Danford, the criminal attorney attempting to prove that his client is not the killer. Susan has a knack for investigative work, and her unconventional hypnotherapy technique might just be the key to unraveling this mystery. However, the deeper she delves into the case, the more her marriage deteriorates. With the help of Susan's unorthodox methods, connections begin to form between the many scattered clues, revealing a trail of theft, corruption, adultery, and murder. Susan has long hidden her unique ability to enter a hypnotized state with witnesses, but as the investigation builds to a peak, how much longer can she conceal this gift and her feelings from the compelling attorney Tom Danford?
