Seeing Red Chinas Uncompromising Takeover Of Hong Kong:

Red Star Over Hong Kong Jamie Allen,1996 **Sino-British Negotiations on the Handover of Hong Kong (1979-1997)** Wanglai Gao,2025-01-04 In 1997 the smooth handover of Hong Kong between China and the United Kingdom defied pessimistic predictions about Hong Kong s future The successful resolution of the Hong Kong issue was the result of 18 years of diplomatic exchanges between Chinese and British negotiators from 1979 to 1997 The two countries were involved in intensive interactions on issues such as sovereignty and administration democratic reform in Hong Kong the drafting of the Hong Kong Basic Law and the PLA garrison The book draws on a wealth of primary sources including oral histories British parliamentary testimony and the memoirs of Chinese and British officials It reveals fascinating bilateral exchanges between Chinese and British strategists and discloses the secret negotiations between the Chinese and the British The book will be of interest to historians scholars and analysts of Chinese diplomacy **Chinese Communists and Hong Kong Capitalists: 1937-1997** C. Chu,2010-10-25 This book examines Chinese Communist activities in Hong Kong from the outbreak of the Sino Japanese War in 1937 to the handover in 1997 It reveals a peculiar part of Chinese Communist history and traces six decades of astounding united front between the Chinese Communists and the Hong Kong tycoons and upper class business elite **The Dynamics of Beijing-Hong Kong Relations** Sonny Shiu-hing Lo,2008-04-01 This book critically assesses the implementation of the one country two systems in the Hong Kong Special Administrative Region HKSAR from the political judicial legal economic and societal dimensions The author contends that there has been a gradual process of mainlandization of the HKSAR meaning that Hong Kong is increasingly economically dependent on the People s Republic of China PRC politically deferent to the central government on the scope and pace of democratic reforms socially more patriotic toward the motherland and more prone to media self censorship and judicially more vulnerable to the interpretation of the Basic Law by the National People s Congress This book aims to achieve a breakthrough in relating the development of Hong Kong politics to the future of mainland China and Taiwan By broadening the focus of the one country two systems from governance to the process of Sino British negotiations and their thrust building efforts this book argues that the diplomats from mainland China and Taiwan can learn from the ways in which Hong Kong s political future was settled in 1982 1984 This is a book for students researchers scholars diplomats and lay people [Hong Kong Reintegrating with China](#) Pui-tak Lee,2001-01-01 This comprehensive book provides a multi dimensional analysis of Hong Kong s development and her political socio economic and cultural relations with China [The Hong Kong Special Administrative Region in Its First Decade](#) Joseph Y. S. CHENG,2007-09-01 This book with 24 essays will appeal to local and international readers interested in Hong Kong The latter include the international financial and business community researchers in Asian Studies journalists and educated tourists Published by City University of Hong Kong Press *Problematic Sovereignty* Stephen D. Krasner,2001 Daniel Deudney Johns Hopkins University coeditor of *Contested Grounds Security and Conflict in*

the New Environmental Politics Hong Kong's Tortuous Democratization Ming Sing, 2004-08-02 This book raises interesting questions about the process of democratization in Hong Kong It asks why democracy has been so long delayed when Hong Kong's level of socio economic development has become so high It relates democratization in Hong Kong to wider studies of the democratization process elsewhere and it supplements the received wisdom that democracy was delayed because of colonial rule and by the opposition of China with new thinking for example that its quasi bureaucratic authoritarian political structure vested power in bureaucrats who refused to have top down democratization a politically weak civil society and a non participant political culture that crippled bottom up democratization plus the division between pro democratic civil society and political society **Hong Kong** Benjamin K.P. Leung, 2018-04-27 This title was first published in 2003 Hong Kong is a society of contrasts and paradoxes The city has a contrasting and yet fluid intermingling of social and cultural images east and west local and colonial modern and traditional extravagant and frugal In this volume the editor has selected essays dealing with a variety of aspects of Hong Kong including change and development culture and identity trends in political development economy and society social issues and social policy Political Development in Hong Kong Ngok Ma, 2007-01-01 This book reviews the political development of Hong Kong before and after 1997 in particular the evolution of state society relations in the last two decades to analyze the slow development of democracy and governance in Hong Kong after 1997 This book is a most comprehensive analysis of the multi faceted changes in Hong Kong in the last 20 years The scope of changes analyzed included state functions and institutions political changes such as party development and development of the Legislative Council and social changes such as social movements civil liberties etc It helps the reader understand the crisis of governance of Hong Kong after 1997 and the difficulty of democratic development in Hong Kong over the years The book covers changing state institutions in Hong Kong in the last few decades party development in Hong Kong the changing role and function of the legislature in Hong Kong the evolution of social movement and movement organizational forms media freedom civil liberties and the role of civil society and theoretical discussions concerning governance problems and state society relations in Hong Kong Special emphasis is placed on how these changes brought about a new state society relation which in turn brought governance difficulties after 1997
