Meditation and Kabbalah Aryeh Kaplan, 1995-01-01 The Kabbalah is divided into three branches the theoretical the meditative and the practical While many books both in Hebrew and English have explored the theoretical Kabbalah virtually nothing has been published regarding the meditative methods of these schools This is the first

book published in any language that reveals the methodology of the Kabbalists and stresses the meditative techniques that were essential to their discipline Kaplan offers a lucid presentation of the mantras mandalas and other devices used by these schools as well as a penetrating interpretation of their significance in light of contemporary meditative research In addition Meditation and Kabbalah presents relevant portions of such meditative texts as the Greater Hekhalot textbook of the Merkava School the writings of Abraham Abulafia Joseph Gikatilia's Gates of Holiness Gate of the Holy Spirit textbook of the Lurianic School and the important meditative hasidic classics Also investigated is the intriguing possibility suggested by the Zohar that the meditative methods of the East might have been derived from the mystical techniques of the prophets **A**

Fishman, Yoichi Funabashi, 1996-10 Long before there were Jewish communities in the land of the tsars Jews inhabited a region which they called *medinat rusiya* the land of Russia Prior to its annexation by Russia the land of Russia was not a center of rabbinic culture But in 1772 with its annexation by Tsarist Russia this remote region was severed from the Polish Lithuanian Commonwealth its 65 000 Jews were thus cut off from the heartland of Jewish life in Eastern Europe Forced into independence these Jews set about forging a community with its own religious leadership and institutions The three great intellectual currents in East European Jewry Hasidism Rabbinic Mitnagdisim and Haskalah all converged on Eastern Belorussia where they clashed and competed In the course of a generation the community of Shklov the most prominent of the towns in the area witnessed an explosion of intellectual and cultural activity Focusing on the social and intellectual odysseys of merchants maskilim and rabbis and their varied attempts to combine Judaism and European culture David Fishman here chronicles the remarkable story of these first modern Jews of Russia *A History of Jewish Literature* Meyer Waxman, 1960
