Select Dialogues Of Plato:

Selected Dialogues of Plato Plato, 2009-10-14 Benjamin Jowett's translations of Plato have long been classics in their own right. In this volume Professor Hayden Pelliccia has revised Jowett's renderings of five key dialogues giving us a modern Plato faithful to both Jowett's best features and Plato's own masterly style. Gathered here are many of Plato's liveliest and richest texts. Ion takes up the question of poetry and introduces the Socratic method. Protagoras discusses poetic interpretation and shows why cross examination is the best way to get at the truth. Phaedrus takes on the nature of rhetoric, psychology and love as does the famous Symposium. Finally Apology gives us Socrates' art of persuasion put to the ultimate test defending his own life. Pelliccia's new Introduction to this volume clarifies its contents and addresses the challenges of translating Plato freshly and accurately. In its combination of accessibility and depth Selected Dialogues of Plato is the ideal introduction to one of the key thinkers of all time.

Select Passages from the Introductions to Plato Benjamin Jowett, 1902 A Selection of Passages from Plato for English Readers Plato, 1895 *Selected Dialogues* Lucian, 2006-06-08 The Greek satirist Lucian was a brilliantly entertaining writer who invented the comic dialogue as a vehicle for satiric comment. This lively new translation is both accurate and idiomatic and the introduction highlights Lucian's importance in his own and later times. **Selected Letters, Orations, and Rhetorical Dialogues** Madeleine de Scudéry, 2007-11-01 Madeleine de Scudéry 1607-1701 was the most popular novelist in her time, read in French in volume installments all over Europe and translated into English, German, Italian and even Arabic. But she was also a charismatic figure in French salon culture, a woman who supported herself through her writing and defended women's education. She was the first woman to be honored by the French Academy and she earned a pension from Louis XIV for her writing. Selected Letters, Orations, and Rhetorical Dialogues is a careful selection of Scudéry's shorter writings emphasizing her abilities as a rhetorical theorist, orator, essayist and letter writer. It provides the first English translations of some of Scudéry's Amorous Letters only recently identified as her work as well as selections from her Famous Women or Heroic Speeches and her series of Conversations. The book will be of great interest to scholars of the history of rhetoric, French literature and women's studies. Select Dialogues of Plato Plato, 1885 Selected Myths

Plato, 2009-02-26 This volume brings together ten of the most celebrated Platonic myths from eight of Plato's dialogues ranging from the early Protagoras and Gorgias to the late Timaeus and Critias. They include the famous myth of the cave from Republic as well as The Judgement of Souls and The Birth of Love. Each myth is a self-contained story prefaced by a short explanatory note while the introduction considers Plato's use of myth and imagery. **Selected Philosophical Papers by Ludwig Edelstein** Leonardo Tarán, 2016-08-25 Ludwig Edelstein 1902-1965 is well known for his work on the history of ancient medicine and ancient philosophy and to both of these areas he made contributions of primary importance. This collection originally published in 1987 makes available Edelstein's main papers to scholars and students and includes papers from 1931-1965. **Select Short Fiction** Charles Dickens, 2016-11-16 Known and loved around the world for his vast

and sprawling novels Charles Dickens relished the opportunity to experiment with his shorter writings investigating hitherto unexplored themes and engaging in uncharacteristic narrative techniques This anthology presents some of the beloved storyteller's lesser known works focusing on tales that reflect his fascination with the supernatural as well as his impressionistic sketches and dramatic monologues The collection opens with The Story of the Goblins Who Stole a Sexton in which a gravedigger learns a lesson from mischievous spirits Other ghostly tales include The Baron of Grogzwig To Be Read at Dusk and more A selection of brief atmospheric essays most of them written for newspapers and magazines recaptures vibrant scenes from Victorian London its prisons churches schools and street life as well as episodes from the author's extensive travels The book concludes with a series of dramatic monologues from Doctor Marigold's Prescriptions and other stories all of them abounding in Dickens' distinctive wit and imaginative power Essays, Selected from Contributions to the Edinburgh Review ... Henry Rogers, 1850
