Pray Because I Can't Do Life Alone Clay Cantrell,2021-08-06 This collection of poems had taken ten years to compile Clay began to feel compelled to express the feelings and thoughts he was having and that expression seemed to come naturally through poetry These poems include conversations he s had with his Lord and Savior feelings of love for people who have been in his life feelings of insecurity and depression battles with addiction and struggles with demons that he believes come in many ways into people s lives to destroy any relationship they may be having or developing with the Savior There are poems of how amazing the plan that God has orchestrated is as well as questions on why things happen the way they do Some of these poems come from deep inside him Some are introspective and some are a little more on the lighter side They re arranged in alphabetical order because there is really no other way to group them As Clay said it is a random collection of thoughts feelings and questions he s had as he developed his relationship with God and worked to learn how to deal with life Clay s hope is that whoever reads this book can find something they can relate to and something that helps them to understand that people don t have to be perfect They can ask God the tough questions People need to realize that He already knows what they think so they should just discuss whatever is on their minds with Him That s what a relationship is and that s what God wants with His people Clay has no idea if he will write another book This is God s plan and he is just thankful that He has allowed him to be part of it If He chooses to continue to use Clay in this way he will humbly obey **I Know I Got**

Issues— I Just Wish Somebody Had Told Me! A long Time Ago... Darryl Jordan,2018-07-13 Issues are something that we all have and some more than others But it is okay It is absolutely okay to have issues as long as you can put things in perspective Sometimes our issues are something that gives you strength or they can zap the very strength from you I am here to tell you having issues can be a blessing as long as you can match them up with the word of God and stand on top of them instead of them standing on top of you I am excited about my issues That hasn t been the case a long time ago but now I see the blessings and I rejoice and praise the Lord for my issues and the freedom I have received Every t time I think about how many times in the name of Jesus I have been blessed because of and in spite of my issues I found out we are going to be alright Forth ,1927

Is God Real Or What? Curtis Peart,2012-06 A man walked up to me and said I do not believe in God and because of that I don t believe in the Bible I tried to show him the wonderful world as proof of God s existence but he said it all happened through nature After all my failed attempts I told him my story Is God Real or What is Reverend Curtis Peart s true story highlighting the realness of the living God in all of life s circumstances big or small We often fail to give a true testimony of our great Creator Man tries to disprove God s existence all the time and have

successfully removed prayer from our school system and workplaces while those of us who claim we know the Lord personally say nothing about it This was the reason Jesus came to this world He performed miracles to prove He was God s Son To His followers after He went back to heaven and even to us He said these signs shall follow them who believe For those who are searching for proof this is the book you need to answer that question And when you do you will have no choice but to fall on your knees and say If all this you say is true I need to know this God **The future of economic governance in the EU** Great Britain: Parliament: House of Lords: European Union Committee,2011-03-28 Inquiry conducted by Sub committee A Economic and Financial Affairs and International Trade *The Presbyterian Journal* George Aiken Taylor,1976
