Lord Of The Nutcracker Men:

Lord of the Nutcracker Men Iain Lawrence, 2003 It's 1914 and Johnny plays at war with nutcracker soldiers his father sends to him from the battlefields in France Can he control his father's fate and the war itself Cf Our choice 2003 *Ghost Boy* Iain Lawrence, 2002-03-12 Harold Kline is an albino an outcast Folks stare and taunt calling him Ghost Boy It's been that way for all of his 14 years So when the circus comes to town Harold runs off to join it Full of colorful performers the circus seems like the answer to Harold's loneliness He's eager to meet the Cannibal King a sideshow attraction who's an albino too He's touched that Princess Minikin and the Fossil Man two other sideshow curiosities embrace him like a son He's in love with Flip the pretty and beguiling horse trainer and awed by the all-knowing Gypsy Magda Most of all Harold is proud of training the elephants and of earning respect and a sense of normalcy Even at the circus though two groups exist the freaks and everyone else Harold straddles both groups But fitting in comes at a price and Harold must recognize the truth beneath what seems apparent before he can find a place to call home

British Children's Literature and the First World War David Budgen, 2018-05-17 Perceptions of the Great War have changed significantly since its outbreak and children's authors have continually attempted to engage with those changes explaining and interpreting the events of 1914-18 for young readers British Children's Literature and the First World War examines the role novels textbooks and story papers have played in shaping and reflecting understandings of the conflict throughout the 20th century David Budgen focuses on representations of the conflict since its onset in 1914 ending with the centenary commemorations of 2014 From the works of Percy F. Westerman and Angela Brazil to more recent tales by Michael Morpurgo and Pat Mills Budgen traces developments of understanding and raises important questions about the presentation of history to the young He considers such issues as the motivations of children's authors and whether modern children's books about the past are necessarily more accurate than those written by their forebears Why for example do modern writers tend to ignore the global aspects of the First World War Did detailed narratives of battles written during the war really convey the truth of the conflict Most importantly he considers whether works aimed at children can ever achieve anything more than a partial and skewed response to such complex and tumultuous events

The Castaways Iain Lawrence, 2007-11-13 *ADRIFT AT SEA* Tom Tin and his four convict companions are only too glad when they come upon a deserted ship The boys clamber aboard not knowing whether they've been saved or set on a course toward doom But after rescuing two men stranded on a melting iceberg Tom begins to suspect that these unsavory sailors are dangerous castaways from this very vessel The more Tom questions the men the more they dislike him So when Tom overhears them plotting to get rid of him he knows they mean it But the other boys don't feel threatened at least not until the sailors attempt to sell them as slaves a decision that ends with death for some and with Tom sailing the ship home to England Soon Tom discovers that he has to cast away every ill-intentioned companion from his voyage home before he can truly be free

[Secret Heart](#) David Almond, 2009-01-16 Joe Maloney is out of place in this world. His mother wants him to be a man, and he can't be that yet. His only friend, Stanny Mole, wants to teach him how to kill, and Joe can't learn that. Joe's mind is always somewhere else: on the weird creatures he sees in the distant sky, the songs he hears in the air around him, the vibrations of life he feels everywhere. Everybody laughs at Joe Maloney. And then a tattered circus comes to town, and a tiger comes for him. It leads him out into the night, and nothing in Joe Maloney's world is ever the same again. The transformative power of imagination and beauty flows through this story of a boy who walks where others wouldn't dare to go: a boy with the heart of a tiger, an unlikely hero who knows that sometimes the most important things are the most mysterious

It is the place of Squid's idyllic childhood where she and her brother Alastair blossomed into precocious adolescents. But Lizzie Island is also the place where Alastair died. Now the past collides with the present as Squid's homecoming unleashes bittersweet recollections, revelations, and accusations. But nothing is what it appears to be. Wilson,2011-06-15 This study is concerned with how readers are positioned to interpret the past in historical fiction for children and young adults Looking at literature published within the last thirty to forty years Wilson identifies and explores a prevalent trend for re-visioning and rewriting the past according to modern social and political ideological assumptions Fiction within this genre while concerned with the past at the level of content is additionally concerned with present views of that historical past because of the future to which it is moving Specific areas of discussion include the identification of a new sub-genre Living history fiction stories of Joan of Arc historical fiction featuring agentic females the very popular Scholastic

Press historical journal series fictions of war and historical fiction featuring multicultural discourses Wilson observes specific traits in historical fiction written for children most notably how the notion of positive progress into the future is nuanced differently in this literature in which the concept of progress from the past is inextricably linked to the protagonist's potential for agency and the realization of subjectivity The genre consistently manifests a concern with identity construction that in turn informs and influences how a metanarrative of positive progress is played out This book engages in a discussion of the functionality of the past within the genre and offers an interpretative frame for the sifting out of the present from the past in historical fiction for young readers
