Lord When A Biblical Perspective Of The Second:

Lord, When? John J. Cobb, 2004-03-16 Lord When looks at the Second Coming from a Scriptural point of view while examining the questions objections and various views of the tribulation and the rapture As the world draws nearer and nearer to the Second Coming it is more important than ever that all Christians understand what the Bible says about this crucial doctrine Our greatest hope lies not in theories or inferences but in undeniable facts left by our Lord in His holy word about The seventh trumpet The great apostasy The restrainer The Antichrist The Seventy Weeks of Daniel The 144 000 servants With over twenty years of research and study of the end times author John J Cobb brings a special and unique approach to these areas He has taught four verse by verse expositional classes on the book of Revelation His passion for scriptural clarity in Eschatology has been the driving force behind Lord When Whether the information gathered is from him or other authors and experts in this area Minister Cobb has taken great care to bring it all to bear against the backdrop of Holy Scripture the final arbiter of all Christian Doctrine *Lord When?* John Cobb, 2023-05-30 [Perspectives on the Sabbath](#) Christopher John Donato, 2011-03-15 Four views of the Sabbath commandment Seventh day Fulfillment Christian Sabbath and Lutheran are presented by scholars in point counterpoint style to determine which is most faithful to Scripture

Trinitarian Perspectives in the Apostolic Fathers Mina Fouad Tawfike, Emad Atef Ezzat Hanna, 2023-12-21 In this in depth exploration the authors embark on a journey to uncover the intriguing questions about the Trinity's emergence in the writings of the Apostolic Fathers As this study takes a close look at whether we can find signs of the Trinity and shared understandings in these early texts shedding light on whether these writings reflect a triadic way of talking about God A crucial aspect of the investigation is to see if there is a common belief about the Trinity offering insights into the theological ideas of that time A central question arises Did the early Apostolic Fathers have a sense of the Trinity If so how did they try to understand it Immersed in the early Christian mindset this book examines how each text talks God the Father Jesus and the Holy Spirit in relation to each other With scholars like Larry Hurtado and Richard Bauckham guiding the way the study explores the connections and differences between the beliefs about God the Father Jesus and the Holy Spirit in the Apostolic Fathers corpus This rich work connects the past with contemporary theological questions Through careful research Trinitarian Perspectives in the Apostolic Fathers reveals the interplay of history faith and divine understanding This book is a helpful resource for theologians historians and anyone seeking a deeper understanding of early Christian beliefs *The Biblical Jubilee and the Struggle for Life* Ross Kinsler, Gloria Kinsler, 2023-01-30 An essential guide for Christians on how to achieve personal ecclesial and social transformation in the year of Jubilee *Martin Luther King's Biblical Epic* Keith D. Miller, 2011-11-15 In his final speech I've Been to the Mountaintop Martin Luther King Jr delivered his support of African American garbage workers on strike in Memphis Although some consider this oration King's finest it is mainly known for its concluding two minutes wherein King compares himself to Moses and seems to predict his own assassination But King gave an hour long speech and the concluding segment can only be understood in relation to the whole King scholars generally focus on his theology not his relation to the Bible or the circumstance of a Baptist speaking in a Pentecostal setting Even though King cited and explicated the Bible in hundreds of speeches and sermons Martin Luther King's Biblical Epic is the first book to analyze his approach to the Bible and its importance to his rhetoric and persuasiveness Martin Luther King's Biblical Epic argues that King challenged dominant Christian supersessionist conceptions of Judaism in favor of a Christianity that affirms Judaism as its wellspring In his final speech King implicitly but strongly argues that one can grasp Jesus only by first grasping Moses and the Hebrew prophets This book also traces the roots of King's speech to its Pentecostal setting and to the Pentecostals in his audience In doing so Miller puts forth the first scholarship to credit the mostly unknown but

brilliant African American architect who created the large yet compact church sanctuary which made possible the unique connection between King and his audience on the night of his last speech *The Christian Counselor's Medical Desk Reference, 2nd Edition* Charles Hodges, Jr.,2023-02-20 How do certain medical conditions impact counseling needs Dr Charles Hodges and a team of contributing physicians set out to answer some of those questions and offer solid biblical principles for counseling those with medical issues **"The" Athenaeum** ,1868 *Seeing the Lord's Glory* Christopher B. Kaiser,2014 The dilemma of early Christology the author observes is found in the early Christian claims to have seen the Lord and beheld his glory expressions that in early Judaism would have pointed unequivocally to visions of Israel's God He also examines the phenomenon of kyriocentric visions in Second Temple Judaism **Great Themes of the New Testament** William Barclay,2001-01-01 Originally published as a series of essays in *The Expository Times* a journal for preachers William Barclay illuminates six key passages from the New Testament This reissue of an older Westminster Press title makes a welcome addition to the highly popular William Barclay Library series The William Barclay Library is a collection of books addressing the great issues of the Christian faith As one of the world's most widely read interpreters of the Bible and its meaning William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ **Judaism, Christianity, and Islam: The Classical Texts and Their Interpretation, Volume II** F. E. Peters,1990-08-15 F E Peters has taken the basic texts of the three related and competitive religious systems we call Judaism Christianity and Islam and has juxtaposed them in a topical and parallel arrangement according to the issues that most concerned all these children of Abraham Through these extensive passages and the author's connective commentary the three traditions are shown with their similarities sometimes startlingly underlined and their well known differences now more profoundly exposed What emerges from this ambitious work is a panorama of belief practice and sensibility that will broaden our understanding of our religious and political roots in a past that is by these communities definition still the present Throughout the work we hear an amazing variety of voices some familiar some not all of them central to the primary and secondary canons of their own tradition alongside the Scriptural voice of God are the words of theologians priests visionaries lawyers rulers and the ruled From publisher description **Communal Participation in the Spirit** Christopher G. Foster,2022-10-11 Christopher G Foster identifies Jewish mystical elements in the Dead Sea Scrolls and compares them with analogous features in the Corinthian correspondence to illuminate through differences and similarities how Paul advocates a mystical and communal participation in the Spirit After defining early Jewish mysticism and introducing the method of heuristic comparison Part I identifies and investigates mystical elements in Dead Sea Scrolls Part II compares these findings with corresponding aspects in 1 and 2 Corinthians to demonstrate the largely corporate tenor of participation and transformation in and by the spirit for Paul *Christianity: A Brief History* Michael D. Robinson,2019-06-14 Christianity is one of the world's great religions with more than two thousand years of history and over two billion adherents worldwide But what is Christianity Where did it come

from How did it develop to its current forms What doctrines do Christians affirm What ethical norms do they endorse What relationships between church and state do they champion and why What changes have transpired for the faith over the centuries And what new challenges does Christianity face in the contemporary world These and other questions are addressed in Michael Robinson's Christianity A Brief History After a concise description of the social political and religious world of first century Palestine the text quickly examines the Jesus of history and tradition including Jesus impact upon his first century followers the narrative then moves to describe the expansions and developments of Christianity through the ancient medieval modern and contemporary eras Along the way readers learn of the varied beliefs mores rituals struggles and triumphs of the faith as well as of the spiritual heights and moral blunders of its people Robinson's intention is to introduce Christianity through its story and through those who lived it *NIV, First-Century Study Bible*

describe the current practice and theology of the Lord's Supper in denominations as varied as Baptist and Quaker Seventh Day Adventist and African Methodist Church conferences beginning in 1967 and their related publications Here is a rare opportunity to observe the special significance of this sacred ceremony in believers church **Paul's Letter to the Philippians** Ben Witherington, III, Ben Witherington, 2011-10-06 Paul's short affectionate letter to the Philippians has been much belabored of late by biblical scholars keen to analyze it in light of Greco Roman letter writing conventions Yet Ben Witherington argues that Philippians shouldn't be read as a letter at all but rather as a masterful piece of long distance oratory an extension of Paul's oral speech dictated to a scribe and meant to be read aloud to its recipients With this in mind Witherington analyzes Philippians in light of Greco Roman rhetorical conventions identifying Paul's purpose highlighting his main points and his persuasive strategies and considering how his audience denizens of a society of limited literacy yet saturated in highly skilled oral rhetoric would have heard and received Paul's message Publisher description **Cracked: a Biblical Perspective on Divorce** Bishop Henry R. Griffin, 2016-10-27 In my world of Conservative Christian policies a divorce was unthinkable Men and women whose training and background actively prohibited divorce and were very quick to chastise and condemn divorcees Therefore this work simply began as a group of self help notes designed to help me survive the many unpleasant conversations I had with my religious friends I fully recognize some of the concepts provided in this book may contradict certain Conservative Christian viewpoints However they are all 100% scriptural This book was written to bring comfort to those who have experienced a divorce and want to remarry To accomplish this goal I had to crack the language code Too many of our modern bibles have adjusted the language to promote the Conservative Christian story I did not write this book to promote divorce Within the pages of this writing are helpful nuggets designed to assist with conversations between husbands and wives I've also included strategies to help maintain a healthy marital relationship Finally this book was designed to assist individuals with overcoming the victimization stigmatization isolation embarrassment shame and the other sorrows based in ignorance that accompany a divorce in certain religious communities
