*Swept Away! God's Retribution Day* Francis Smith Jr, 2012-04 The ancient prophets were a different breed Though embedded in the midst of the people administering and serving in much the same capacity as their counterparts an inner longing to know set them apart It was not enough to be a minister of the Lord they wanted to know the intent of the one for whom they ministered For them the morning sunrise was the beginning of another day's inquiry an inner desire to believe life on a rock eternal It is through them the Creator finds voice as the prophet scans the world's panorama with spiritual eyes ever longing that all people would see what they see and understand what is heard It is the cry Moses had for Israel that all would be prophets Above all you must understand that no prophecy of Scripture came about by the prophet's own interpretation For prophecy never had its origin in the will of man but men spoke from God as they were carried along by the Holy Spirit 2 Peter 1:20-21 NIV The Bible is both history and a prelude of history with an impeccable purpose It does not deviate in dealing with three objectives the fall of humanity its redemption and final liberation As a world's best seller it is faulted for removing the mystique updating and critiquing future events only as those events occur Until the Bible deliberates the archives of world history are mere fillers of rampant human instinct But its final resolution is here with immense biblical documentation with the promise to be understood by all people Keeping in mind that God's intent remains to redeem and liberate even to the very door of human extinction      **Biblical Healing and Deliverance** Chester

Richards, 2011-08-01 This four-color Gold Medallion Book Award winner is a perfect tool that offers solid biblical answers to some of the tough questions kids ask about evolution and our world. Did Earth begin with a Big Bang cosmic explosion? Does science contradict the Bible? What happened to dinosaurs? Is there life on other planets? Did we evolve from apes? What makes my body work on its own? Kids are daily exposed to the theory of evolution by the media and public schools. It's not safe to assume that your kids will reject that theory. It's up to us as parents and Christian leaders to make sure our children know the truth about the creation of the world. With thousands of evidences to prove He created and sustains the universe, *It Couldn't Just Happen* will fascinate kids with fun activities and examples of God's marvelous works.

**God Says Something Bad Is Going to Happen to You** Sarah Bass, 2012-03-15 none [It's Not Personal: Unmasking Offense](#) Dena Hoover, 2018-12-05 Have you had your feelings hurt? Or maybe you have hurt someone's feelings? This should come as no surprise as God's Word tells us in Luke 17:1 that it is impossible that no offenses should come. In this bold biblical-based Bible study, the truth that God's people are ripping each other apart by their words and actions will be clear. But don't stop there; the encouraging word is that we do not have to stay this way. Whether we are doing the offending or we are the offended, we are walking away with hurts. No Band-Aid can fix Dena's heart's desire is that through the power of God's Word and the healing only Jesus can bring, we will not only be healed but learn how to do things differently. Her hope is that we will learn not to take things personally and yet keep our sensitivity. God thinks very highly of

His children She wants you to know how valued you are in the Kingdom We have a role in God's plan But we are too busy licking our wounds and out of hurt inflicting hurt on each other We have to get our focus back on our purpose God created us in His image Gen 1:27 which is love However somewhere in our journey we have begun to devour like the enemy 1 Pet 5:8 Through this twelve week study you will reconnect with the Savior and begin to allow the brick wall to come down that over time has grown to protect your heart God will show you that the wall of protecting only imprisons Allow yourself to be free

**WHY BAD THINGS HAPPEN TO GOOD PEOPLE** GODSWORD GODSWILL ONU, 2015-03-30 Many people wonder why bad things happen to good people You have to realize that there are many things which are hidden from us and they are known to God And we do not have to worry ourselves to know about many of them especially when knowing the true nature and reason may not avail any good We are not God and we cannot know everything Yet God reveals what He wants us to know to us The Spirit of God reveals many things to us but He reveals what God wants us to know And you may not have to use what God told you about a situation to generalize and apply it to some other situations If you do you may be erring and deceiving yourself and others
