Carpenter,2019-02-08 When science set forth to explain the historical evidence and miraculous events attributed to the existence of Jesus it expected to find hoaxes a lack of evidence and nothing substantial to support a supernatural belief in God What skeptical scientists did discover actually validates the beliefs of Christians And

what they could not explain also added even more support for Christian faith The historical accounts eyewitness testimonies and miraculous artifacts provide overwhelming proof that something supernatural and heavenly is in contact with mankind Join John Carpenter a psychiatric therapist on his logical investigation into the divine realm of miraculous evidence through the startled eyes of disbelieving medical and scientific researchers The amazing conclusions from their professional examinations suggest that Jesus Christ must truly be alive and impacting our lives today As with Carpenter s first book *Be Not Afraid to Follow the Footprints from Heaven* be not afraid of having your current assumptions about God challenged by this historical evidence now under the scrutiny of today s science Open your mind for this fascinating and inspirational journey

The Forgotten Founders Stewart L. Udall, 2012-06-30

an impressive new book The Forgotten Founders is a gem that encompasses virtually every aspect of the development of our region ROCKY MOUNTAIN NEWS Udall offers a convincing argument that it wasn't the cavalry fur traders prospectors gunslingers or railroad builders who tamed the West it was courageous men and women who made treks into wilderness and created communities in virgin valleys Udall's spare prose adds impact to his words THE SEATTLE TIMES The West is so cluttered with misconceptions that it is hard to have a serious discussion about its history Wallace Stegner For most Americans the Wild West popularized in movies and pulp novels a land of intrepid traders and explorers warlike natives and trigger happy gunslingers has become the true history of the region The story of the West's development is a singular chapter of history but not according to former Secretary of the Interior and native westerner Stewart L Udall for the reasons filmmakers and novelists would have us believe In The Forgotten Founders Stewart Udall draws on his vast knowledge of and experience in the American West to make a compelling case that the key players in western settlement were the sturdy families who travelled great distances across forbidding terrain to establish communities there He offers an illuminating and wide ranging overview of western history and those who have written about it challenging conventional wisdom on subjects ranging from Manifest Destiny to the importance of Eastern capitalists to the role of religion in westward settlement Stewart Udall argues that the overblown and ahistorical emphasis on a wild west has warped our sense of the past For the mythical Wild West Stewart Udall substitutes a compelling description of an Old West the West before the arrival of the railroads which was the home place for those he calls the wagon people the men and women who came camped settled and stayed He offers a portrait of the West not as a government creation or a corporate colony or a Hollywood set for feckless gold seekers and gun fighters but as primarily a land where brave and hardy people came to make a new life with their families From Native Americans to Franciscan friars to Mormon pioneers these were the true settlers whose goals according to Stewart Udall were amity not conquest stability not strife conservation not waste restraint not aggression The Forgotten Founders offers a provocative new look at one of the most important chapters of American history rescuing the Old West and its

pioneers from the margins of history where latter day mythmakers have dumped them For anyone interested in the authentic history of the American West it is an important and exciting new work Real-Life Angel Encounters Christi Clemons Hoffman,2025-06-24 Angels are real An overalls clad angel appears before dawn at a convenience store at a delicate time and is nowhere to be found to thank her A near fatal train accident leads to a Near Death Experienter becoming a world renowned composer author and artist A devastating tornado leads to children having sightings of beautiful angels Plus over 20 more miraculous encounters Enjoy miraculous stories from real people from all over the world If you re skeptical that angels exist prepare to believe And listen to the Real Life Angel Encounters podcast wherever you listen to podcasts
