**Lawrence Tierney** Burt Kearns,2022-12-06 Lawrence Tierney 1919 2002 was the kind of actor whose natural swagger and gruff disposition made him the perfect fit for the Hollywood tough guy archetype Known for his erratic and oftentimes violent nature Tierney drew upon his bellicose reputation throughout his career a reputation that made him one of the most feared and mythologized characters in the industry Born in Brooklyn to Irish American parents Tierney worked in theater productions in New York before moving to Hollywood where he signed with RKO Radio Pictures in 1943 His biggest roles would come in Dillinger 1945 in which he played 1930s gangster and bank robber John Dillinger and Robert Wise s film noir classic Born to Kill 1947 Despite his natural talents Tierney was trouble from the start struggling with alcoholism and mental instability that emboldened him to start fights whenever and wherever he could The continued bouts of alcohol fueled rage his subsequent stints in jail and his continued attempts at rehabilitation curtailed his acting career Unable to find work

throughout much of the 1960s he did a stint in Europe before eventually returning to New York where he took odd jobs as a construction worker bartender and hansom cab driver In the mid 1980s Tierney returned to acting With a somewhat cooler head he established himself again with recurring roles in shows such as Seinfeld and Star Trek The Next Generation He would take on his final projects as a septuagenarian in Reservoir Dogs 1992 and Armageddon 1998 where his on set behavior would once again draw the ire of his colleagues and studio representatives He would go down swinging just shy of his eighty third birthday his tough guy image solidly intact until the end In Lawrence Tierney Hollywood s Real Life Tough Guy author Burt Kearns traces Tierney s storied life from his days as Dillinger to his clash with Quentin Tarantino at the end of his film career to his final public appearances The first official biography of the late actor the book draws on the writings of Hollywood reporters and gossip columnists who first reported on Tierney s antics and exclusive interviews with surviving colleagues friends family members and victims Through their words and his research Kearns paints a portrait of Tierney s brutish behavior and the industry s reaction to the pugnacious star drawing parallels and the line between the man and the characters that made him a Hollywood legend
